GOVERNMENT OF INDIA.

FINANCIAL DEPARTMENT.

RESOLUTION.

SIMLA, THE 9TH NOVEMBER 1878.

THE Governor General in Council, having in view the probable heavy demands for expenditure on account of the Military operations upon the frontier, desires to suggest that Staff officers, whether in Military or Civil employ, detached for service with the field forces, should not be replaced unless it is absolutely necessary for the public service.

2. In the case of Staff Officers in Military employ, it may be presumed that there will be a substantial reduction of work at stations from which troops are withdrawn, and that it may be possible to consolidate, for a time, some, at least, of the ordinary Staff appointments, or to leave them more or less completely in abeyance.

3. In the Public Works and Civil Departments, a similar course should, as far as possible, be adopted, and the vacancies caused, should, so far as may be practicable, be temporarily supplied by the amalgamation of offices, or by some other expedient by which additional charge for salaries shall be avoided.

ORDERED, that a copy of this Resolution be forwarded confidentially to the several Departments of the Government of India, and the Local Governments and Administrations.

R. H. HOLLINGBERY,
Asst. Secy. to the Govt. of India.
