Read the following papers :—

No. 304. From W. S. HARINGTON, Esq., District Engineer, Madura, to the Chief Engineer, Public Works Department—through the Examiner of Public Works Accounts, Madras,— dated Melur, 9th November 1878, No. 223.

THE Commissioner of Salt Revenue, in his No. 15/1,361 of the 6th ultimo, having informed me that it is not worthwhile at present to incur any expenditure on the proposed canal from the Attenkarai salt-pans to the sea for which a sum of Rs. 2,000 has been allotted in the current year's budget "Imperial" owing to its doubtfully beneficial nature, I have the honor to request that you will be good enough to transfer that amount for some other works elsewhere
