PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th November 1878.

Read the following Proceedings of the Madras Government, dated 18th November, 1878, No. 1,848, Revenue Department.

Read the following letter from the Government of India, Department of Revenue, Agriculture and Commerce, dated 11th November 1878, No. 495-C.

I AM directed to request that, with the permission of His Grace the Governor in Council, you will be good enough to arrange that in the monthly Trade Return No. 15, showing the gross amount of duty collected on each article, the amount of duty collected on opium and spirits imported from foreign ports, should for the future be shown separately from the amounts collected on imports coastwise. The same distinction should also be made in the monthly Trade Return No. 17, in which the refunds and drawbacks paid should be shown separately for each of the articles above named when imported from foreign ports and when imported coastwise.

2. The distinction should also be carried out in the corresponding tables of the Annual Volume No. 15, 15-A, and 17.

3. I am also to request that the information distinguishing the gross duty collected on spirits and opium, and the refunds and drawbacks paid on spirits, imported from foreign ports, and on the same articles imported from Indian ports, may be furnished for each month of the current year for which accounts have already been submitted.

COMMUNICATED to the Board of Revenue for information and for the issue of the necessary instructions.

(True Extract.)

(Signed) L. A. CAMPBELL,
Under Secretary to Government.

COMMUNICATED to the Collectors of Maritime Districts with the request that they will in future distinguish the duty and refunds on spirits and opium imported from foreign ports from the amounts relating to imports coastwise in the manner indicated in the accompanying forms.
