LOCAL AND MUNICIPAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Secretary of Public Works Department, Madras, to the Secretary to Government, Public Works Department, Madras, No. 1546 B/1, dated 15th May 1906.

During his recent visit to the Office of the Executive Engineer, Civil Division, Mr. A. R. S. Iyer, Deputy Engineer, brought to my notice that 1,00,000 cubic feet of material and 5,772 cubic feet of rough stone costing Rs. 10,000 collected at a low labour rates had been taken over by the Local Board 7/A Department.

2. I enquired of the Executive Engineer whether the Local Board was prepared to pay for the materials thus taken over and in reply the Executive Engineer forwards for my information copy of Collector's letter No. 2234/4 dated 21st April 1906 in which the Collector states that Government has already granted a contribution of Rs. 50,000 from Local Board which is exactly in excess of the normal cost of the materials in question.

3. As this office has no knowledge of the contribution of Rs. 50,000 referred to, I request to be favoured with early orders as to whether Government wish any further action to be taken under the current estimate.

Enforcement of the Public Works Department, No. 2523 C dated 16th May 1906.

Referred to the Local and Municipal Department with the request that orders on the subject, if any, may be communicated to the Public Works Department.

ORDER No. 1233 L, 1906, dated 21st July 1906.

A sum of Rs. 50,000 was provided in the revised estimate for 1907-08, as a contribution to Provincial Works on account of famine relief works (vide para. 2 of G.O. No. 400 L, dated 5th March 1906) and it is now proposed to revise this estimate, and also the
