PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th December 1878.

Read the following letters :—

From J. E. O'CONOR, Esq., Assistant Secretary to the Government of India, Department of Revenue, Agriculture and Commerce, (Statistical Branch,) to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Calcutta, 6th November 1878, No. 482-C :—

I AM directed to acknowledge the receipt of an extract from the Proceedings of the Board of Revenue, Madras, No. 2,749, dated the 9th ultimo, forwarded by you to this department, relating to the registration of trade across the frontiers of Foreign States on the sea coast in the Madras Presidency.

2. The articles shown in the returns of this trade should be arranged according to the classification prescribed in the Resolution of this Department (No. 2—358-361), dated the 14th June 1876, and I am to request that this may be done in future.

3. The Government of India have, in a letter, No. 348, dated the 29th September last, addressed the Government of Madras on the general question of the registration of the land trade between the Madras Presidency and Foreign States and Possessions, and the views of that Government on a further consideration of the matter will be awaited.

From the same Officer, dated Calcutta, 19th November 1878, No. 532-C.

I AM directed to acknowledge the receipt of your letter, No. 11,189, (Miscellaneous), dated the 2nd instant, forwarding statements showing the trade by land between the Madras Presidency and the adjoining French Settlements, and the duty levied on each article of trade for the months April to August 1878.

2. I am to point out that no distinction is made in the trade returns between free and dutiable articles, all being entered together in the same returns. The two classes should in future be entered in separate returns. Separate returns should also in future be sent showing the amount of duty collected at each port on the frontiers, to correspond with No. 14 of the sea-borne trade returns.

COMMUNICATED to the Collectors of the marginally-noted districts for information and guidance.
