GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

18th December 1878, No. 2271.

Application for Leave.

No. 152. *Proceedings of Government*, 18*th December* 1878, *No.* 2271.

In consequence of the extreme pressure on the State Establishments through the famine, His Grace the Governor in Council resolved in G.O., dated 13th February 1877, No. 547, to suspend, saving in exceptional cases, the grant of privilege leave and furlough. These instructions were partially relaxed by G.O., dated 21st January 1878, No. 109.

2. As relief operations are now closed throughout the famine districts, or will be closed before the 31st instant, there remains no reason connected with the Famine Department why the restrictions still existing on leave of officers should be any longer maintained. His Grace in Council accordingly resolves to remove all such restrictions, the following excepted:—All officers employed in connection with the famine will be required to complete any famine accounts with which they may be concerned, submitting proper vouchers, before taking leave. To secure this object all officers applying for leave will be required to obtain a certificate of having done so from the Collector, the Accountant-General, or the Examiner of Public Works Accounts, respectively, according to the requirements of the particular case.

3. All Departments of the Secretariat and the Accountant-General will be required to provide for the disposal of any emergent business which may arise during the Christmas Holidays, either connected with the famine, or Government of India, or from the Districts.
