Most Respected Sir,

I humbly beg
your honor will excuse
the trouble I am
going to give you once
more.

Mr Richardson
the Treasurer of the
was ill, and though
he is getting better
day by day, he wishes
to have a change
of climate at the

suggestion of the
Doctor. He has
applied for one
month's privilege
leave & I dare
say the application
is before the Govt.
now. He wishes to
come back as soon
as possible, and
though it is not
his present desire
to apply for an
extension of leave,

31/4
and though the period
is short, I am an-
xious to act for
him as I can spare
the allowance of the
Currency & the Regis-
tration Department.
Indeed Mr Foster
told me to be in
charge, as he con-
sidered that a
substitute for a
month is unnecessary.
If any body should
be appointed to act
for Mr Richardson,
I beg your leave

PROCEEDINGS OF THE BOARD OF REVENUE.

Dated 4th February — 1878.

Read the following

N^o 37

Mr. L. Foster Esqre,
Collector

Mr. E. Stokes Esqre,
Secretary to the Board of Revenue
Madras

On the 24th instant I forwarded an application from Mr. Richardson my Treasury Deputy for a month's privilege leave. I am now likely to apply for an extension and in fact is more likely to rejoin before the expiry of the month. I have the honor to state for the information of the Board of Revenue that in the event of Government not wishing to appoint an officer to act for Mr. Richardson for so short a period, I have arranged that the Acting Salt Deputy Collector P. Pandarikakshudu should take charge of the Treasury and Currency Department, and whenever there is occasion for visits

will be pleased to appoint me, as it will not only enable me to draw some increased pay, but will also give me, I consider, a claim to Treasury Dy Collector's office when a vacancy occurs.

Begging pardon for the trouble, I beg to remain,
Respectfully,
Yours truly,
P. Pandarikakshudu
29-1-78.

visits to be paid to the salt pans that my
Assistant Mr W. B. Holmes should do this.

2. My Sheristadar B. Raja Row has
acted as Deputy Collector, and if Government
do not intend to send any one else to act
for Mr Richardson, they might, perhaps, be
inclined to appoint him. Of course this will
be a considerable assistance to the other officers,
as I shall be absent from my Head Quarters
for some time.
