Ag. Secretary to the Board of Revenue
Madras

Sir,

I have the honor in continuation of
my report of the 6th instant, No. 1, to state that
the Sahibdar of Fudalore, who has visited
nearly the whole of the villages in his Taluk,
has submitted a Report from which it seems
he calculates that panyah remissions
will only be required in 19 villages in the
Taluk and in these to the extent of only
25 per cent amounting in all to Rs 4,131-20.
I enclose a translation of his report
and a copy of the account which accom-
panied it.

2. The General Duties Deputy Collector
has

has sent me a letter of which I enclose a copy from which it does not seem likely that pumjak remissions will be required in his Division. I have told him that recommendations for such remission should only be made if the loss of crop be total as well as general in any particular tract.

3. As yet I have had no reports of any likelihood of pumjak remissions being required in the Sub-Division.

4. The prospects of the year hitherto do not appear to me to be nearly so bad as those of 1873-74.
