PROCEEDINGS OF THE BOARD OF REVENUE, dated 28th January 1878.

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated 16th January 1878, No. 35 :—

IN acknowledging the receipt of the Proceedings of the Board of Revenue, No. 5,161, dated 5th ultimo, I have the honor to state that I never examined any of the old breached tanks which I have seen when moving about the district and that I made no note of the places where I observed them.

2. As I had however noticed several, I thought it worth while to mention the subject.

3. When writing paragraph 26 of my letter, extra No. 2,447, of the 25th October last, I had in my mind paragraph 9 of the Proceedings of the Board of Revenue, No. 2,041, dated 21st October 1872, but not having the Board's volumes with me could not quote the authority for my statement. The instructions conveyed in these Proceedings were my ground for omitting in the report* on the Public Works in the Salem District for the year 1872-73 any mention of communications.

* Proceedings, Board of Revenue, No. 2,141, dated 18th October 1873.

SUBMITTED to Government in continuation of Board's Proceedings, dated 5th December 1877, No. 5,161.

2. The state of the communications should be noticed in general terms in the annual report on Public Works.
