5. Under Road Fund Reserve there is a balance of Rupees 9,915; but as this sum and whatever amount in excess of it may remain to credit of the Fund will be absorbed in the adjustment of famine expenditure, the balance will not be allotted in next year's budget.

BUDGET OF 1878-79.

6. STATEMENT I-A, REVENUE AND RECEIPTS.—Land-cess is estimated at Rupees 1,00,000, which is about the average of past years' collections, and is a low estimate. The Local Fund share of the tolls of the Gooty, Adoni, and Anantapore Municipalities is estimated at Rupees 2,250, the particulars of which are furnished in a separate statement.

7. The assets are—

	RS.
Road Fund	82,790
General Fund	37,130
Total	1,19,920

8. STATEMENT I-B, EXPENDITURE—GRANT I, PUBLIC WORKS—STATEMENT II, ROAD FUND.—The Road Fund share of the Land-cess should be Rupees 66,670. On the expenditure side the grant for New Works will be raised to Rupees 6,970 for reasons stated further on; the cost of Public Works Supervision should be Rupees 8,670, the share of the cost of General Management Rupees 1,440, Tools and Plant Rupees 350, and the Reserve Rupees 7,290. The contribution to the Adoni Municipality for roads has been raised from Rupees 80 to Rupees 200, as the up-keep of three miles of road hitherto maintained out of Local Funds has been transferred to the Municipality in consequence of the extension of the limits of the town. The total Road Fund expenditure is Rupees 52,740, leaving a balance of Rupees 30,050.

9. STATEMENT II-A, PART I, NEW WORKS.—Part I contains three Road Works. No provision of funds is made for the first two works, as they are stated to have been completed out of Famine Funds. They should, therefore, not have been shown in the statement. The allotment for the third item will be raised from Rupees 2,000 to Rupees 6,970 to complete the work as funds are available.

10. PART II, REPAIRS.—For Road Repairs Rupees 27,720 are assigned against Rupees 34,490 in the current year's revised budget. This decrease is due to the Local Fund Board having reduced the rates of maintenance of some of the roads on the ground that large quantities of metal stored up by famine labor will be available in the ensuing year. It may be that the Local Fund Board may be called upon to pay for this metal as well as to exhaust the balances for 1877-78, but pending settlement of this question the Board resolve to have the allotments entered in the budget undisturbed. No provision is made for the road from Royelchervoo to the tank bund. Last year's grant will be inserted.

11. Grant I is—

	RS.
Road Fund	51,300
General Fund	4,410
Total	55,710

12. GRANT II, EDUCATION.—The charges for Inspection and Local Fund Schools call for no remark. For Results Grants Rupees 2,500 are allotted against Rs. 3,000 in the current year, but the provision seems to be sufficient and is approved by the Educational Officers. The commission for sale of books should be Rupees 30.

13. Grant II is Rupees 6,800, chargeable to the General Fund.

14. GRANT III, SANITATION.—The grant for the Hospitals and Dispensaries, Rupees 2,840, will be reduced to Rupees 2,530, the Surgeon-General having intimated that the three-fourths of the pay of the Medical Subordinate (2nd-Class Hospital Assistant) in charge of the Tadpatry Dispensary should be Rupees 360. Rupees 2,400 are allotted for Sanitary Establishments and Cleansing Tanks and Wells. The Sanitary Commissioner remarks that the provision is very inadequate, and requests that the grant for the Improvement of Village-sites and for Water-supply may be increased. The Board, therefore, resolve to raise the allotment to Rupees 5,820, the grant for the current year. The President is requested to submit at once a revised Statement IV-B. The contribution to the three Municipal Dispensaries has been raised from Rs. 2,430 to Rupees 2,490 with reference to the actual charges of the institutions.

15. Grant III is Rupees 13,840, debitable to the General Fund.

16. GRANT IV, MISCELLANEOUS.—The contribution for the Controlling Establishments at the Presidency will be Rupees 380 as in the current year. The provision for the Circle Board's Establishment has been raised from Rupees 600 to Rupees 780 to provide for the salary of the Head Clerk being raised from Rupees 35 to Rupees 50 per mensem. The President points out that the Local Fund Head Clerk in his office draws only Rupees 40 a-month, and recommends that his pay may be raised to Rupees 50 and that the pay of the Gooty Local Fund Clerk to Rupees 40. The Board of Revenue do not think that sufficient reason has been shown for raising the salaries of the Clerks as proposed, and accordingly disallow the excess provision.

17. Grant IV is—

	RS.
Road Fund	1,440
General Fund	650
Total	2,090

18. Annexed is an abstract of the budget as modified by the Board of Revenue:—

2. The Board remark in paragraph 5 of their Proceedings that the Road Fund balance and savings under the Regular Estimate for the current year will be absorbed in the adjustment of famine expenditure, and consequently will not be allotted in the budget for 1878-79. Under the procedure laid down in G.O., Financial Department, dated 17th October 1877, No. 2529, and papers recorded therewith, the adjustment in question should be effected in the accounts for the current year, and consequently the balance need not be shown at all in the budget for 1878-79.

3. The allotments for repairs to roads have been reduced on the ground that metal stored by famine labor will be available. The Board of Revenue remark that the Local Board may have to pay for this metal, but leave the entries undisturbed pending settlement of the question. As, under the adjustment above referred to, only a small portion of the famine expenditure will be charged to Local Funds, there seems no reason why the metal utilized in 1878-79 should not be paid for, and the allotments may be at once raised to the usual figure.

4. It is observed that the reduced assignment for Results Grants has been made with the approval of the Educational Officers. The Revenue Board's action in raising the allotments for the improvement of village-sites and for water-supply, and disallowing the proposed increase to the pay of the Local Fund Clerks, is approved, and the budget is passed, subject to the remarks made above.
