No. 5

I do hereby certify that Mr.
A. M. Macgregor. Deputy Collector &
Northern Division Commissionaire, has
been suffering from the disease of the liver &
on different times of various symptoms
of affection of the liver and now his
Complaint (Liver) is growing rather
extensive. I have no doubt that there
would be any use by further detaining
him under medical treatment. I am
of opinion that an immediate change of
air to cold climate at least for 3 months
would certainly improve his health.
