Sir,

In reply to Government Order No 349 of 7th February 1878, I have the honour to report that the figures of the Neilgherry Cinchonas have passed very slowly through the press and that only seven of them are now ready. Since Christmas, too, my time has been so much occupied with the specimens for the Paris Exhibition, that I have not been able to send fresh Copy to the press.

however, prepared by the late Mr.
