GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

7th February 1878, No. 238.

**Leave Rules.**

Read the following paper:—

No. 70. *Proceedings of the Board of Revenue, dated 4th January* 1878, *No.* 7.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Secretary to the Board of Revenue, dated Byreddipalli, 14th December 1877, No. 700:—

I have the honor to forward herewith, for the Board's favorable consideration, copy of a letter, dated 8th instant, No. 360, received from the Additional Sub-Collector, Mr. Bliss, in which he recommends that an addition may be made to the Furlough Leave Rules enabling officers recalled to duty from furlough on public grounds to take leave again without a medical certificate when their services can be spared without reference to the usual condition of three years' "continuous service" between the periods of furlough.

ENCLOSURE No. 1.

of North Arcot, dated Ranipett, 8th December 1877, No. 360.

By Section 12 of the Civil Leave Code furlough may be granted to an officer who has rendered three years' continuous service—

On medical certificate, unconditionally; without such certificate, subject to certain provisions, one of which is that the furlough be due.

2. A good deal of furlough is due to me, but under this rule I cannot take any within three years of my return to duty unless upon medical certificate.

3. By Section 32-2, however, of the same Code—

"If an officer is, on public grounds, recalled to duty from privilege leave before the whole leave granted to him is ended, privilege leave may be granted to him again even within six calendar months from the date of his return to duty."

4. I submit that a similar concession should be made to officers "on public grounds recalled to duty" from furlough as I have been.

5. I have, therefore, the honor to request that you will submit this letter to Government for their favorable consideration and with my respectful request that they will move the Government of India to make such an addition to the Civil Leave Code as will enable officers recalled to duty from furlough on public grounds to take furlough again without medical certificate as soon as their services can be spared without reference to the usual condition of three years' "continuous service" between periods of furlough, and also to modify Sections 14, 15, and 16 of the Code, so that such officers taking leave on medical certificate within three years of their return to duty may, first, not be exposed to the penalty of the loss of their permanent appointments, whether furlough be due to them or not, and, secondly, may be allowed to take such leave (on medical certificate) for the full ordinary period of two years.

6. Otherwise an officer required on public grounds to return to duty from furlough might conceivably be almost ruined by the way in which the rules, as they stand, would affect his allowances in case of a serious illness occurring within the period of three years; and, though I am thankful to say that I have no personal apprehension of such a thing, I may point out that an officer whose due period of rest and relaxation has been cut short by his enforced return to work of an unusually harassing and anxious nature, is much more likely to get seriously ill than if allowed to stay out his furlough and return to duty in the ordinary way.

Submitted for the orders of Government.

No. 71. ORDER THEREON, 7th February 1878, No. 238.

It is observed that application has been made to the Secretary of State for special concessions to the officers who were required to return from furlough for famine duty.

2. This exceptional circumstance, however, does not call for a modification of the standing rules.
