SIR,

H. E. Stokes Esquire
Secy. to the Board of Revenue

With reference to your letter No 219 dated 29th October last sanctioning the employment of the establishment marginally noted for one month on account of the acquisition of land in Pordoppett required for the Salem Infantry Lines I have the honor to report that the establishment was entertained on the 4th Instant & will be relieved with the 3rd Proximo.

2. In para 3 of this office letter No 183 dated 29th April 77 recorded in Govt. order No 1436 dated 2nd August 77 sanction was requested for the employment of the establishment noted above for a period of 2 months, as the land to be

required.

required consisted of house site about 6 1/2 in number, and as it was considered that the work involved would occupy that time. The Collector at Madras now reports that the land required for the line is studded with dwelling houses and that the survey & estimate of the value of the property has in some instances to be repeated twice and thrice owing to some representations from the parties interested. He therefore requests that sanction may be obtained for the retention of the establishment for a further two months. I consider that the work can and ought to be completed within an additional month as first estimated and accordingly beg that the sanction of Govt may be obtained for employing the establishment for one month from the 4th February 78.
