*Proceedings of the Madras Government, Revenue Department,
23rd March 1876.*

No. 221. Read the following Proceedings of the Board of Revenue, dated 21st February 1876, No. 516:—

Read the following papers:—

Proceedings of the Board of Revenue, dated 13th September 1875, Mis. No. 8,309.
Read Statement of Remuneration proposed to be granted to Inamdars for lands taken up for public purposes in the District of Nellore, dated 17th June 1875, No. 1,652.

THE Board sanction the reduction of quit-rents as shown below from Fasli 1284 on account of Inam lands taken up for the irrigation works named by the Collector. As regards money payment, the Collector's figures under *refunds of quit-rents* are not quite intelligible; for instance, in Case No. 1, the Collector proposes a refund of quit-rent of Rupees 42, whereas the quit-rent on the lost portion, supposing that the entire extent was taken up in Fasli 1280, could not exceed Rupees 25. The Collector is requested to explain on what principle he has calculated the refund of quit-rent and for what years, and why any refund at all is necessary when compensation is given for loss of crops:—

From P. SOOBBIER, Deputy Collector, on special duty, to G. VANSAGNEW, Esq.,
Collector of Nellore, dated 25th September 1875, No. 277.

ADVERTING to the Board's Miscellaneous Proceedings, No. 8,309, dated 13th instant, I have the honor to state that the lands taken up for channels and referred to in the compensation statement which gave rise to the above Proceedings having been appropriated, as will be seen from my remarks to the statement in question at different periods, the assessment thereon, which ought to have been remitted to the Inamdars, was calculated with reference to the date of appropriation. Any arrears outstanding against the Inamdars being deducted from the amount so ascertained, the remainder was struck as the amount to be refunded to them.

*Proceedings of the Madras Government, Revenue Department,
23rd March 1876.*

2. The following will show how the amount recommended to be refunded in each case was arrived at:—

First Case.

	A.	C.
Extent of land appropriated for public purpose or channel ...	5	7
Deduct extent taken up in Fasli 1284 and the assessment whereof was proposed to be remitted from Fasli 1284 ...	2	57
Balance taken up in Fasli 1281 ...	2	50

	RS.	A.	P.
Assessment thereon per annum ...	14	3	6
For three years, Faslis 1281, 1282, and 1283 ...	42	10	6

The Inamdar having paid the quit-rent in full in the said three years, the sum of Rupees 42-10-6 above shown was recommended to be paid or refunded to him. In the second case, the assessment calculated in the manner above stated was ...	9	6	6
Deduct the arrears of quit-rent outstanding against the Inamdar and which will be classed as irrecoverable ...	7	2	8
Balance to be paid to him ...	2	3	10

3. I think the explanation above given for the first two cases in the statement will answer for the rest.

4. In the concluding part of the Proceedings under reference, the Board ask, "why any refund at all is necessary when compensation is given for loss of crops." I beg to submit that compensation for loss of crops was recommended only in Cases Nos. 1 and 7. In the latter case it will be observed no refund was proposed. The compensation for loss of crops, &c., recommended in the first case does not arise from the lands which necessitate a refund or lands taken up for channels, but from the land affected by the tank, viz., A. 2 and C. 30 which involves no refund.

No. 2,775.

SUBMITTED to the Board of Revenue with reference to their Proceedings quoted.

NELLORE,
18th October 1875.

(Signed) T. VON D. HARDINGE,
Actg. Sub-Collector in charge.

THE above papers are submitted for the orders of Government.

2. In the first of these two papers, the Collector proposed compensation as follows:—

	RS.	A.	P.
For loss of land ...	436	3	10
For loss of wells, &c. ...	110	0	0
Reduction of quit-rent from Fasli 1284 ...	106	11	5
Refund of quit-rent ...	109	1	1

3. The reduction of quit-rent was sanctioned in Board's Proceedings, dated 13th September 1875, No. 8,309. But the question of money compensation was not

disposed of then for want of more information regarding the amount of refund of quit-rent recommended in each case. The second of the letters quoted above contains the further information required. The Special Deputy Collector explains the manner in which the figures in each case were arrived at.

4. The total amount of money compensation recommended is Rupees 655-4-11. As the Inam lands have been taken up for irrigation works, the money has to be paid from Imperial Funds. The sanction of Government is therefore requested for its payment.
