*Proceedings of the Madras Government, Revenue Department,
23rd March 1876.*

No. 230. Read the following endorsement of the Chief Engineer for Irrigation, dated Fort St. George, 14th March 1876, No. 9 M:—

From R. G. MACDONALD, Esq., Examiner of Railway and Irrigation Accounts, to Lieut.-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, and Joint Secretary to Government, Public Works Department, Fort St. George, dated Madras, 7th March 1876, No. 272 I.

I HAVE the honor to invite attention to the G. Os. quoted in the margin, in which the action taken by the Government of Madras, upon the request of the Government of India that measures

may be adopted to hasten the submission of the half-yearly accounts of the Madras Irrigation and Canal Company, is described.

2. As pointed out in the letter read in G.O., No. 2,431, dated 25th August 1875, it is the lateness of the receipt from the Collectors of the particulars of Revenue (Form E) which keeps back the submission of these accounts. No improvement in this respect was made in dealing with the settlement for 1874-75, and it has only been possible to submit the Revenue Account for the half-year ending 30th June 1875 to Government yesterday.

3. Under these circumstances, I venture to suggest orders be now issued to take steps for the early settlement of the water-rates due for the season 1875-76, in order that the accounts of the first half of 1876 may not be delayed. I learn that the settlement might be made next month.

TRANSFERRED to the Revenue Department with a view to the passing of such orders as may be necessary to ensure the transmission of the Revenue Accounts by the Collectors of Kurnool and Cuddapah within a reasonable period after settlement.

(Signed) A. DE C. SCOTT, Major, R.E.,
*Assistant Chief Engineer for Irrigation,
for Chief Engineer for Irrigation.*

No. 231.

ORDER THEREON, 23rd March 1876, No. 412.

Irrigation, No. 5.

THE Collectors of Kurnool and Cuddapah will explain the delay in the submission of the return referred to. The Board's

instructions to the effect that the returns should be sent to the Chief Engineer for Irrigation within one month after the close of the period to which they relate do not seem to have been acted on. It is not stated whether the account for the half-year ending 31st December 1875 has been submitted.

(True Extract.)

(Signed) D. F. CARMICHAEL,
Secretary to Government.

To the Board of Revenue.
" the Collector of Kurnool.
" the Collector of Cuddapah.
" the Chief Engineer for Irrigation.
