No 28.

From

W. S. White S. de Esq.
Collector of North Arcot

To

C. A. Galton Esq.
Secretary to the Board of Revenue
Madras.

Sir,

I have the honor to report that I have stationed
at Ranipett Mr. F. L. Gibson appointed as Sub-
Collector for this District with instructions to assist
Mr. Bliss Additional Sub-Collector by disposing of
criminal cases referred to him by that Officer who is
heavily pressed with Famine work.

2. Owing to the excessive work entailed on my
office Establishment in consequence of the Famine,
I am wholly unable to depute any clerk from
my own office for duty under Mr. Gibson and
the Additional Sub-Collector is equally unable to
spare any from his limited Establishment, a
portion of which has been transferred to him
from

from the office of the Sub-Collector. The temporary Establishment entertained for one passed Assistant in this District is in the hands of the Assistant Collector Mr. Freeman here and it is therefore necessary to entertain another small temporary Establishment for duty under Mr. Gibson.

I shall, therefore under the authority conveyed in para 3 of Government Order No 52 of 15th January 1873, entertain two additional Clerks, one on Rs 40 and the other on Rs 20, and send them for duty under Mr. Gibson. He has applied for an attender for whose appointment the above quoted Government Order contains no provision. Considering the large amount of work which Mr. Gibson will have in his office, I am strongly of opinion that the appointment of an attender is necessary and recommend that as a special case sanction may be given for the entertainment of one in his office. The state of public business does not permit of any attender being spared from my already overworked Establishment.

Mr. Gibson has informed me that he rents a building at Ranipett for the use of his

of his office. As no Government building is available at that station for his office, I recommend that he may be allowed to draw extra tentage in consideration of his providing office accommodation during his stay at Ranipett.
