*Proceedings of the Madras Government, Revenue Department,
27th March 1876.*

No. 258. Read the following Proceedings of the Board of Revenue, dated 11th March 1876, No. 709:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Annapett, 25th February 1876, No. 81.

REFERRING to the Board's Proceedings of the 7th ultimo, No. 33, calling on me to report in good time if the Railway Deputy Collector will not be able to finish the work of transferring the lands required for the railway in this district by the end of March, I have the honor to enclose a report and two statements from that officer, from which the Board will see that, owing principally to an alteration in the line in the Chedambram Taluq, he does not think he will be able to wind up all the business of his Office till the end of April.

2. It seems that on the 20th instant there were twenty-two cases still to be settled, involving a probable compensation of 4,405 Rupees; that in 78 cases the compensation, though sanctioned, had not been disbursed, while in 529 others sanction to disburse the compensation awarded has not yet been received; and in respect of 67 others, in which compensation has been settled, bills have to be submitted. The total compensation to be disbursed is likely to be 41,448 Rupees, and as the Government, in G.O., No. 229, of 28th January 1876, have placed Rs. 40,000 at my disposal for this purpose, I think the greater portion of the disbursements may be effected before the 1st April; but I do not think the whole work of the officer can be wound up before the end of April. I would, therefore, recommend the Deputy Collector's retention, if necessary, to the end of April.

SUBMITTED for the orders of Government with reference to G.O., dated 25th February 1876, No. 279.

2. The Collector will have learnt from the Government Order above quoted that the Government of India have sanctioned the retention of the Special Deputy Collector till the end of March only, and he will now be instructed, by telegram, to direct the Deputy Collector to use every endeavour to complete the work on which he is engaged within the time allowed.
