MISCELLANEOUS No. 2974.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 25th February 1877.

Read the following —

Proceedings of the Madras Government, dated 19th December 1876, No. 3,103, Revenue Department.

Read the following Proceedings of the Madras Government, dated 1st December 1876, No. 3,233, Public Works Department.

Read the following Proceedings of the Madras Government in the Revenue Department, dated 11th October 1876, No. 2,365.

Read Proceedings of the Board of Revenue, dated 4th October 1876, Miscellaneous No. 8,463, on letters from the Collector of Salem, dated 15th and 29th September 1876, Nos. 232, 245.

I HAVE the honor to forward copy of a letter from the Acting Sub-Collector submitting for sanction an estimate for Rupees 80-4-0 for providing his bungalow with blinds and mats, and to request that the sanction of Government may be obtained thereto. As under the rules of the Public Works Department such works cannot be done by that department, I think the charge will have to be met from the provision for "Petty Construction and Repairs."

In continuation of my letter, No. 232, dated 15th instant, I have the honor to forward copy of a Government Order sent by Mr. Wilkinson, sanctioning under similar circumstances the supply of blinds and mats to the Government bungalow at Tindivanam.

Letter from the Acting Sub-Collector of Salem, dated 6th September 1876, No. 514.

I have the honor, with reference to the enclosed correspondence, to forward herewith an estimate for Rupees 80-4-0 for supplying blinds and mats to the bungalow I occupy, and to request you will obtain the sanction of Government for the same.

2. Though I am unable to lay my hand on the necessary references, I may state that Government have frequently sanctioned the supply of blinds and mats for Government buildings occupied by [illegible] Sirs, and trust early sanction may be accorded for this small estimate.

THE estimate will be submitted for the sanction of Government.

ENCLOSURE No. 1.

Proceedings of the Madras Government, dated 17th October 1876, No. 105, Public Works Department.

On the reorganization of the Department of the Barrack Master at the Presidency the charge of the public buildings with certain specified exceptions devolved* on the Public Works

Miscellaneous No. 2974.

Department. The duty of the supply and repair of furniture and matting was also inadvertently ordered to be transferred to that Department.

It having been pointed out, however, that the supply and repair of furniture, screens and tatties, and other articles that are not fixtures did not devolve on the Public Works Department, but was contrary to the provisions of the Public Works Code of the Government of India, the orders in the Military Department were modified accordingly, and it was decided that "the arrangements hitherto in force for the supply, renewal, and repair of furniture, &c., in use in the various public offices should be continued, each department being charged with the cost of the purchase and repair of its furniture."

2. Under these circumstances the Public Works Department will not make provision in future budgets for furniture, mats, blinds, &c., of other departments. And the unexpended balance on the 1st October of the allotments provided in the current year's budget will be surrendered by the District Engineers, Pondicherry and Chingleput.

3. These orders do not affect the special arrangement under which an annual sum is provided in the Public Works Budget for Government House furniture.

(Signed) G. W. WALKER, Major-General, R.E.,
Secretary to Government, P.W.D.

Communicated, with copy of the enclosure, to the Board of Revenue, Director of Revenue Settlement, Superintendent of Revenue Survey, and Conservator of Forests.

(Signed) H. S. GRIGG,

A copy of G.O., dated 17th October 1876, No. 105, Department of Public Works, will be communicated to all Collectors, the Superintendent of Stamps, and the Superintendent of Government Farms, for information and guidance.

2. The amount required for supplying blinds and mats for the house occupied by the Sub-Collector of Salem (Rupees 30-4-0) can be met from savings in the budget provision for Petty Construction and Repairs, Land Revenue, and is sanctioned.
