11th March 1878

From

The Superintendent Revenue Survey.

To

The Secretary to Government
Revenue Department.

SIR,

I have the honour to inform you that the demarcation and settlement of boundaries for the purpose of Revenue Survey is in progress in the Taluqs of Cuddalore and Villapuram which adjoin French possessions around Pondicherry. In order to ensure the recognition by the French Government of the boundaries of British villages which abut on French territory & which are about to be demarcated, it is necessary that the demarcation should so far be a joint operation carried out under the supervision of officers duly appointed on either side.

2. I beg to suggest that the French Government be requested to appoint

a Commissioner for the purpose in
view and to recommend Major Liardet,
Assistant Superintendent Revenue
Survey, as an officer well qualified
to act in a similar capacity for the
British Government.

I have the honour to be
Sir

Your Most Obedt. Servant

Isaac L. L. L. L.
