No. 323. Read the following Proceedings of the Board of Revenue, dated 18th March 1876, Miscellaneous No. 2,447 :—

Read the following letter from J. G. HORSFALL, Esq., Acting Collector of South Canara, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 7th March 1876, No. 515.

I HAVE the honor to bring to the notice of the Board of Revenue that the temporary establishment of three Clerks, on Rs. 20 each per mensem, entertained in this Office for the compilation of the Trade and Navigation Returns of back years under the sanction accorded in G.O., dated 11th November 1875, No. 1,625, has not been able to complete the work required of them by the time fixed by the Board, viz., three months.

2. In applying for their services, Mr. Webster seems to have been under the impression that they would be required for about six months, but the Board, in their Proceedings, dated 23rd October 1875, No. 2,944, limited the term of their employment to only three months. The establishment, therefore, ceases to be employed from the 6th instant.

3. Every possible effort was made during the last three months, for which the extra hands have been working in this Office, to get out as much work from them as possible; but I regret to say that, in spite of the best exertions, there is yet a great deal left to be done, and I do not believe that this work can be completed in less than at least three months more.

4. The Board are aware that all the Trade and Navigation Returns of coasting trade, both current and back, already forwarded, and those prepared for submission to the Board of Revenue up to the 7th February 1876, with reference to their Board's Proceedings, dated 26th May 1875, No. 1,430, several Proceedings noted in the margin, Board's Proceedings, dated 3rd September 1875, No. 2,477, included only the transactions of each Board's Proceedings, dated 6th September 1875, No. 2,496, port in the district with ports both British Indian and Indian ports not British without the Presidency and with such as are situated within the Presidency, but without the district, strictly in accordance with the forms circulated by the Board.

5. On receipt, however, of the Board's Proceedings, dated the 7th December 1875, No. 3,309, communicating letter from the Government of India calling for a complete set of figures for 1874-75 and the preceding four years, and requesting Collectors of Maritime Districts to forward statements of trade and shipping between the ports in this Presidency, a telegram was sent to the Board requesting their instructions as to whether the interportal trade within the district should be shown in the returns, and the reply having been received in the affirmative, it was found necessary to commence the work again, all that was already prepared having been rendered useless.

*Proceedings of the Madras Government, Revenue Department,
31st March 1876.*

6. There thus remains the following quantity of work to be got through:—

1874-75.

Trade Returns from Nos. 1 to 5 for nine months.

Shipping Returns from Nos. 6 to 13 for twelve months.

1873-74.

Trade Returns from Nos. 1 to 5 for four months.

Shipping Returns from Nos. 6 to 13 for twelve months.

1872-73.

Trade Returns from Nos. 1 to 5 for four months.

Shipping Returns from Nos. 6 to 13 for twelve months.

1871-72.

1870-71.

Trade Returns from Nos. 1 to 5 for twelve months.

7. In view of the great urgency of these returns, and the difficulty of re-organising a trained establishment after once breaking it up, I have, in anticipation of sanction, retained the services of the extra clerks, and request that the Board's orders may be communicated to me by telegraph.

SUBMITTED for the orders of Government with the Board's recommendation that the establishment proposed be sanctioned for three months from the 6th instant. The cost can be met from general savings under Customs.

2. The Collector will be informed by telegraph that the establishment may be retained in anticipation of sanction.
