GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

30th January 1878, No. 179.

Local Funds—Budgets.

Read the following paper:—

No. 198. *Proceedings of the Board of Revenue, dated 28th January 1878, No. 1028 (Miscellaneous).*

*Appendix I showing the particulars of estimated expenditure on public works by Civil Officers.

Appendix II showing the total receipts and expenditure and cash balances of Local Funds for 1877-78.

Appendix III showing the total receipts and charges of Local Funds for 1878-79.

The Board submit herewith an abstract of estimated receipts and charges of Local Funds for 1878-79 and the usual appendices* with reference to G. O., Financial Department, dated 2nd June 1875, No. 1190.

2. The sum of Rupees 38,400 shown against Provincial Services under "Contributions" is made up of—

RS.	
20,000	Special grant allowed by the Government of India as a measure of compensation for the enhanced price of salt in the Chettarpore Circle.
18,100	The total of the grants for the middle-class schools in some of the Local Fund Circles.
300	The grant for the Charitable Dispensary at Oosoor.
38,400	

3. With reference to the Orders noted in the margin, the cost of Public Works Supervision hitherto exhibited as "Contribution to Provincial Services" is separately shown against "Public Works Establishment" under "Public Works." The entry of Rupees 20,000 under the former head represents the provision made in the Local Fund Budget of the Cocanada Circle for the Junction Canal as already noticed in G. O., Financial Department, dated 11th January 1878, No. 54.

4. Similar estimates for Special Local Funds will be submitted with all possible expedition.

(True Extract.)
