Local Fund Budget
Local Fund Budget

Read the following papers:—

No. 72: *Proceedings of the Board of Revenue, dated 15th January 1878, No. 115.*

Read letter from the President, Local Fund Boards, Tanjore District, dated 20th December 1877, No. 643, forwarding Local Fund Budget of Tanjore Circle for 1878-79.

The Local Fund Budget of the Tanjore Circle for 1878-79 will be submitted for the orders of Government.

REGULAR ESTIMATE FOR 1877-78.

2. RECEIPTS.—The opening balances should be those given in the Local Fund Report for 1876-77 as revised in this office and noted in the margin. Tolls

are estimated at Rupees 24,500 against Rupees 1,98,021 against an estimate of Rupees 1,65,330. This large increase is stated to be due partly to the higher prices of grain now prevailing and partly to the inclusion of arrears. The total receipts amount to Rupees 4,75,218, made up of—

Road Fund ...	rs.	1,20,383
Endowment Fund ...	...	2,65,935
General Fund ...	...	88,900
Total ...	...	4,75,218

3. EXPENDITURE.—The probable expenditure on New Works, Communications, is estimated at Rupees 17,650 against Rupees 18,596, the amount sanctioned to date. With reference to actual expenditure up to August and in the last seven months of 1876-77 the estimate may be accepted. The proposed expenditure on Road repairs is given as Rupees 65,280, the amount sanctioned to date. For allotments to be made hereafter Rupees 10,000 are retained under the Road Fund Reserve. The other items do not call for remark. The total expenditure amounts to Rupees 3,68,510, leaving a balance of Rupees 1,06,708 as per margin, which will be carried to the Budget for 1878-79.

BUDGET FOR 1878-79.

4. STATEMENT I-A, REVENUE AND RECEIPTS.—As in the current year's Budget, the Cess on Land is estimated at Rupees 1,26,000. The receipts from Tolls are

estimated at Rupees 15,000 against Rupees 14,800 for the current year. The increase results from the raising of the rate of tolls in the Municipalities. The contribution of Rupees 150 provided for in the current year's Budget from the Tanjore Municipality for Educational Expenses is omitted as the Municipal Commissioners have entertained a separate Inspecting Schoolmaster for the supervision of the schools. A sum of Rupees 1,200 is entered as the contribution from the Hospital, the Department, dated 21st November 1877, No. 2,734. The total receipts amount to Rupees 1,37,020, as follows:—

Road Fund	Rs.
Endowment Fund	1,17,760
General Fund	2,38,350
	80,910
Total	1,37,020

5. STATEMENT B, EXPENDITURE.—GRANT I, PUBLIC WORKS.—STATEMENT II, ROAD FUND.—The share of the cost of General Management chargeable to the Road Fund should be Rupees 1,120. The total Road Fund expenditure amounts to Rs. 1,13,260, leaving a balance of Rupees 4,500.

6. STATEMENT II, A, Part A, NEW WORKS.—Rupees 14,300 are allotted for four road works, of which 12 are sanctioned. The President is requested to submit estimates for them at an early date. Rupees 8,240 are provided for maintaining avenues.

7. Fund for the construction of

8. Grant I is—

Road Fund	Rs.
Endowment Fund	1,12,140
General Fund	3,460

Total	1,24,530

9. GRANT II, EDUCATION.—There are at present three Inspecting Schoolmasters employed in the circle, which consists of four taluqs. It is now proposed to add a fourth Inspector on Rupees 30 per mensem so that each taluq may have an Inspecting Schoolmaster. The sanction of Government is solicited to this proposal. The allotment for Inspection should be Rupees 2,290 as noted in the margin.* The cost of Local Fund Schools is the same as in the current year's Budget. Rupees 3,900 are provided for Chuttrum Schools. The changes proposed by the Local Fund Board in connection with these schools are fully set forth in paragraph 12 of the President's letter. They appear judicious, and the sanction of Government is solicited to the establishments proposed for the marginally-noted schools.† It will be observed that the school at Needamangalam will be closed to boys and that a school for the education of girls will be started in its stead.

Total	21,930

11. GRANT III, SANITATION.—STATEMENT IV.—The Mohanambal Boyi Sahib's Female Hospital is rightly shown in Statement IV as the municipal contribution; its sole income at present is equivalent to an endowment. The net cost of the hospital is 4,700, of which Rupees 3,500 are to be met from the Chuttrum Funds and are apparently included in the Rupees 4,070 allotted for other purposes in Column 13. The statement will be clearer if the amount is transferred by reducing the receipts of the chuttrum in Column 4 by Rupees 3,500 and crediting the sum to the hospital. Further, the Board observe that the hospital scheme provides for the investment of about Rupees 3,000 from the Chuttrum Funds annually to form an endowment for the hospital. The sum to be so invested should be allotted in the chuttrum charges. The Chuttrum Fund has a balance of Rupees 20,814, which ought not to lie idle. The President will report what sums should be invested on account of the chuttrum and hospital, respectively, in the ensuing year. He will also call the attention of the Local Fund Board to the very large balance under Endowment Funds, which ought to be invested for their benefit if it can be spared.

12. STATEMENT IV, A.—Rupees 16,890 are put down for Hospitals and Dispensaries against Rupees 1,950 in the current year's Budget. The increase is merely nominal and results from the charges on account of the dispensaries maintained from Chuttrum Funds being now shown under Dispensaries instead of, as hitherto, under

Medical Officers. Syahardipate on dispensary is increased from two to three. Of the six Chuttrum Dispensaries provided for, it is stated that Medical Officers are entertained in only two and that for the rest none are procurable. Rupees 5,900 are allotted for the Female Hospital at Tanjore, and the details of the amount are given in paragraph 19 of the President's letter. The establishment proposed is on the scale suggested by the Surgeon-General in his letter recorded in G.O., Financial Department, dated 3rd September 1877, No. 2,240. Rupees 18,410 are allotted for Sanitation against Rupees 14,840 in the current year's Budget.

14. Grant III is—

Endowment Fund	Rs.
General Fund	1,47,990
	31,700
Total	1,79,690

15. GRANT IV, MISCELLANEOUS.—The contribution for the Controlling Establishments at the Presidency should be Rupees 1,300. The contribution for the cost of the establishment in the Collector's office is Rupees 830 and that due from the Negapatam Circle is Rupees 430. The Local Fund Board's establishment consists of a Clerk on Rupees 40 a month and a peon on Rupees 6. It is proposed to raise the pay of the Clerk to Rupees 50 and to entertain an additional Clerk on Rupees 30. There is a strong establishment in the Collector's office paid by both Boards; but the Tanjore Circle work is exceptionally heavy and the increase proposed not excessive. The Board therefore recommend the proposals of the Local Fund Board for sanction. The allotment for the Circle Board's establishment will then be Rupees 1,040.

10. Grant IV is—

Road Fund	Rs. 1,120
General Fund	3,050
Total	4,170

No. 73. *Proceedings of the Board of Revenue, dated 19th January 1878, No. 748 (Miscellaneous).*

The following letter from Surgeon-Major W. E. CORNISH, F.R.C.S., Sanitary Commissioner, Madras, to the Secretary to the Board of Revenue, dated Madras, 29th January 1878, No. 29:—

I have the honor to report that the Local Fund Board of the Tanjore Circle has made ample provision for Sanitation and Vaccination in their budget estimate for the year 1878-79. For the former Rupees 18,410, or 43·8 per cent. of available income, are allotted, and for the latter Rupees 3,500. In both instances the distribution appears to be judicious.

I may remark, however, that the Board do not propose to appoint any Assistant Deputy Inspectors, and that from the former amount Rupees 800 are to be paid as batta to Hakims deputed for cholera duty, which, in my opinion, should be debited against "Medical" Hospitals and Dispensaries.

Submitted to Government in continuation of the Board's Proceedings, dated 15th January 1878, No. 115.

I have the honor, by desire of the Surgeon-General, to report to your Board that the sum set apart for the maintenance of the dispensaries in Grant III of the 1878-79 Local Fund Budget Estimate of the Tanjore Circle calls for no remarks, the President of the Circle having fully explained to your Board the variations between the current year's grant and the estimate in his letter, No. 643, of 20th ultimo.

Read the following letter from Colonel R. M. MACDONALD, Director of Public Instruction, to the Secretary to the Board of Revenue, dated Madras, 10th January 1878, No. 150:—

Adverting to the Budget Estimate for the year 1878-79 for the Tanjore and Negapatam Circles, I have the honor to state that the provision made therein for Education seems to be sufficient.

2. The Regular Estimate for the current year and the Road Fund proposals for 1878-79 call for no remark. The entertainment of an additional Inspecting Schoolmaster on Rupees 30 and the increased establishments detailed in paragraph 9 of the

Proceedings of the Board of Revenue are sanctioned, and the instructions issued by the Board regarding the investment of endowment funds are approved.

3. As pointed out by the Sanitary Commissioner, the provision for Halims employed on cholera duty should be debited to "Medical" rather than to "Sanitation."

4. The Government consider the proposed increase of establishment unnecessarily great, and sanction only the entertainment of an additional clerk on Rs. 30. The Budget is passed subject to the above remark.
