SIR,

I have the honor to assure the Board that it is not in my power to answer satisfactorily the reference contained in Board's Proceedings 23rd August 1877 No. No. 11782, until I have discussed the arrangement and possible improvement of the river channels on the Spot with the District Engineer - He cannot meet me there until Febmary.

2. The question is one that must be dealt with having regard to several conflicting claims, and to rights of ancient origin threatened by modern usurpations. Major Wood has given much attention to the subject already, and I hope to furnish the

the information needed in full during March.
