*Proceedings of the Madras Government, Revenue Department,
19th April 1876.*

No. 97. Read the following Proceedings of the Board of Revenue, dated 11th March 1876, No. 702:—

Read again Board's Proceedings, dated 9th June 1875, Miscellaneous No. 5,117.
Read also the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 17th February 1876, No. 431:—

I HAVE the honor to acknowledge the receipt of the Board's Proceedings, No. 5,117, Miscellaneous, dated 9th June 1875.

2. From the Gudur Tahsildar's urzi, No. 275-375, dated 8th instant, it appears that the number of the title-deed in question is 1,423 and not 1,243 as entered in the statement, dated 12th April 1875, by a clerical mistake.

3. As regards the sale value of the land, the Tahsildar states that, if it is offered for sale as an inam, it may fetch about 60 Rupees, and only Rupees 20 if sold as Government land subject to the full taram assessment. It will be observed from the statement referred to that the land measures 1-56 Acres of wet area bearing an assessment of Rupees 6-5-0, and is subject to a quit-rent of Rupees 3-4-0.

4. This is one of the four cases referred to in paragraph 10 of my letter recommended in the Board's Proceedings, dated 17th March 1875, No. 636, as pending inquiry in the Gudur Taluq. The Tahsildar has not furnished the details required. A reminder has been issued to him, and on receipt of his reply a special report will be made as directed. The question whether the land should be disposed of as Inam or Government land, or whether the holder or the inam may be allowed to hold it on payment of two-thirds of the assessment, may be decided after the receipt of the Tahsildar's report.

5. With regard to the question raised in paragraph 2 of the Proceedings under reply, I beg to state that the Board in their Proceedings, dated 19th November 1868, No. 8,188, approved of Mr. Boswell's proposal to abolish the Office of Village Shroff in the revision of village establishment, and to assess the inam fully on vacancies occurring by demise, &c. It has ever since been usual in this district to resume Shroff's inams and to grant puttass crediting the assessment to Land Revenue.

SUBMITTED for the orders of Government with the Board's recommendation that the action taken by the Collector in resuming the inam noted in the margin be confirmed, the holder of the inam having died without heirs.

Gudur Taluq, Chelledi Village, Inam wet 1-56 acres, Rupees 6-5-0, Quit-rent Rupees 3-4-0, value Rupees 60.

2. The difference between the full assessment and jodi of the Shroff's inam under notice, and of all such inams hitherto fully assessed with reference to Board's Proceedings, dated 19th November 1868, No. 8,188, should henceforward be credited to the Village Service Fund, and the same course pursued in regard to inams which may be fully assessed hereafter.

Obdt. of 1876

No. 636.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 17th March 1875.

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 12th February 1875, No. 471:—

ADVERTING to the Board's Proceedings, dated 18th September 1872, No. 1,857, I have the honor to enclose a statement showing the revenue credited to Government according to the Jamabaadi accounts of last Fasli 1283 (1873-74) on minor inams in inam villages transferred to the holders of the latter.

2. The Board will observe that there are altogether 56 inams, assessed at Rupees 189-15-10, and that the holders of the inam villages have agreed to take up the lands and to pay to Government annually Rupees 125-1-11 in addition to the quit-rent.

3. In the villages of Billupad and Bakkapuram in the Atmakur Taluq the assessment was objected to as heavy. The Tahsildar revised the assessment after inspecting the land, and the shrotriendars agreed to pay two-thirds of the assessment thus revised.

4. In the village of Nimmamaheswaram, Kanigiri Taluq, the total assessment of the two inams is Rupees 5-15-2, two-thirds of which will be Rupees 3-15-5, but Rupees 4-11-10 have been charged on these inams. The attention of the Acting Sub-Collector will be called to this discrepancy.

5. In all these cases the holders of the inam villages eventually agreed to the terms offered, viz., two-thirds of the assessment of the lands.

6. There are four inams in the Chundi estate, assessed at Rupees 151-15-4, and I have authorized the Sub-Collector to charge Rupees 77-12-8 on them, leaving the lands to the estate.

7. There are five inams in a village, called Pedda Venkatesapett, in the Kanigiri Taluq. The original assessment of these inams is Rupees 22-8-11. The Tahsildar inspected the lands, and reduced the assessment to Rupees 5-11-7. On the Sub-Collector's recommendation, I have authorized him to charge two-thirds of the revised assessment, viz., Rupees 3-13-1.

8. In the village of Annambaka, Gudur Taluq, there is an inam assessed at Rupees 4-15-2. The Tahsildar proposed to charge only one-third instead of two-thirds in consideration of the inferior nature of the soil. I have authorized him to compound with the shrotriendars accordingly.

9. In the village of Lingasamudram in the Rapur Taluq the shrotriendars are unwilling to take up the inam at two-thirds, but they are willing to collect the full assessment from the cultivators and pay the same to Government. Their unwillingness seems to arise from some disputes as to shares among themselves.

10. There are four cases in the Gudur Taluq pending inquiry: on the completion thereof, I propose to enter into such compromise as the circumstances warrant.

Proceedings of the Board of Revenue.

dated 9th June 1875

Read Statement of Inams lapsed
to Government in the District of
Vellore in the year 1874, dated 12th April
1875.

The particulars of the Inam covered
by Title Deed No 1243 given, in the
Statement do not correspond with those
given in the Inam Register. Moreover
the Inam having been resumed, not
under the terms of the Inam settle-
ment, but as an ~~estate~~ cheat, it should
not have found a place in this state-
ment. Its saleable value should
now be ascertained and a special
report

report made to the Board with
reference to their Proceedings dated
10th July 1871 N^o 2845.

2. The Collector is requested to
explain why the Shroffs' Inams
were fully assessed, and to what
head the assessment is credited -
whether to village Service Fund,
or to Imperial.
