Civil Servants.

No. 94. *Proceedings of Government, 19th February 1878, No. 287.*

With reference to the recent appointment of Mr. E. Turner, to be Special Assistant to the Collector of Madura (for the Ramnad Estate), it is observed that the Court of Wards in their Proceedings, disposed of in G.O., Revenue Department, dated 21st September 1876, proposed that the pay of the officer in charge of Ramnad should be paid by them at the rate of a Sub-Collector. This suggestion was not then accepted, as the gentleman appointed was of somewhat junior standing. Mr. Turner however would be entitled in the ordinary line of the service, *now*, to the post of Acting Sub-Collector, and may possibly be detained in Ramnad till he is entitled to the permanent post of Sub-Collector. It seems therefore fair to him that he should be secured in the possession of a salary to which his standing in the service would entitle him. The Court of Wards will be good enough to state if they are prepared to promise this, within the limits of a Sub-Collector's pay and allowances.
