RESOLUTION.

Fort William, the 14th February 1878.

Read—

Act XIV of 1867 (*Pandhari*), and Acts II (*North India License*) III, IV and V (*North-West Provinces, Oudh and Punjab Local Rates*) of 1878, of the Council of the Governor General, and
Act II of 1877, Bengal Council (*Provincial Public Works*).

The Governor General in Council has resolved that the gross revenue collected under these Acts, and under the proposed Central Provinces Local Rates Act, 1878, and under the Bengal, Bombay, and Madras License Tax Acts of 1878, shall henceforth be recorded in the Imperial Accounts (Provincial Section) under the Head of V, *Assessed Taxes*, and the costs of collection under the corresponding Head 7, *Assessed Taxes*.

The Estimates and Accounts should be revised and prepared accordingly, and each Local Government should, with the least possible delay, communicate by telegraph the amounts to be entered in the Estimates of 1878-79, and, in the case of Bengal and the North-Western Provinces (with reference to Acts VII and VIII of 1877 now repealed), in the Regular Estimates of 1877-78.

The contract maximum amounts to be guaranteed by the several Local Governments in respect to the taxes imposed in 1878 will be settled hereafter. Whatever amount may be in any case thus settled, the Imperial Government will limit its demands to the amount actually collected.

ORDERED, that copy of this Resolution be forwarded for information and guidance to each Local Government in British India, excepting the Governments of Assam and British Burmah; to the Comptroller General; and to each Accountant General and Deputy Accountant General in independent charge in British India, excepting the Deputy Accountants General of Assam and British Burmah.
