Dated 6th February 1878

From

J. W. Cherry Esq<sup>r</sup>

Dy. Conservator of South Canara Forests.

To

Col. R. H. Beddome.

Conservator of Forests

Colesamund.

Sir,

My health compels me to seek a change  
Home.

During my nine years service, I have only  
had 3 months privilege leave which I was obliged to  
take on medical certificate last year.

2. I have now the honor to ask for two years  
furlough with subsidiary leave, under sections 12  
and 24 of the civil service code.

3. It is necessary to point out, that strictly  
I have not a right to these rules, as my name has  
not yet been formally admitted into the list attached  
to Schedule A of the code. I would however refer  
to the Secretary of States despatches which clearly  
authorize my admission; and to the fact that in  
the other Presidencies, similar officers have for some  
years past had the benefit of these rules.

4. By some omission Madras Forest officers  
appear to have been forgotten. The Government  
however

however, <sup>have</sup> since made a special application on our behalf to the Secretary of State.

5. In the mean time, under the circumstances, I beg that my leave may be granted under the more favorable rules, in anticipation of my admission; otherwise I can only take furlough under great disadvantages.

6. I propose to leave about the end of next month.

I have the honor to be

Sir,

Your most obedient servant.
