GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

12th January 1878, No. 59.

Read the following paper:—

No. 112. From G. H. M. BATTEN, Esq., Officiating Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce, (Statistics), to the Chief Secretary to the Government of Bombay, dated Calcutta, 5th January 1878, No. 9.

I AM directed to acknowledge the receipt of your letters, Nos. 6,879 and 7,332, (Revenue Department), dated respectively the 16th November and 10th December last, with enclosures, regarding the exhibition of miscellaneous receipts in the monthly telegraphic returns of the Sea Customs revenue furnished to this department and in the Duty Statements of the Trade and Navigation Statistics Returns.

2. On a reconsideration of this subject it has been decided to exclude all miscellaneous receipts from these returns as well as from the telegraphic reports of the Customs revenue, and to show only the duty levied in accordance with the Tariff Act. The orders contained in the letter, No. 434, dated 15th October 1877, are accordingly withdrawn. All miscellaneous receipts should be shown in detail in the separate reports on the administration of the Customs Department, which should reconcile differences from the trade returns by specifying the additional items shown in them.

3. The submission of the statements asked for in the 4th paragraph of letter, No. 434, dated 15th October, is not now necessary, but statements showing the corrections that should be made in Returns Nos. 14, 15, and 16 of the Trade and Navigation Statements for the Bombay Presidency for one past month of the current official year on account of the inclusion of penalty duties or other miscellaneous receipts in them should be furnished for the correction of the returns in accordance with the principle laid down in this letter. A statement showing the corrections that should be made in Return No. 14 for Sind for the months of October and November 1877 should also be forwarded.

No. 11.

Copy forwarded to the Government of Madras for information and guidance, in continuation of endorsement, No. 436, dated the 15th October 1877, with a request that correction statements similar to those required from Bombay in paragraph 3 may be furnished for Madras instead of the statements originally asked for.
