FINANCIAL DEPARTMENT.

26th February 1878, No. 356.

Municipal—Budgets.

Read the following paper:—

No. 214. *From G. McWATTERS, Esq., Vice-President, to the President of the Municipal Commission, Caroor, dated Erode, 8th December 1877, No. 102.*

I have the honor to submit the Budget Estimate* of the Caroor Municipality for 1878-79.

* Together with Regular Estimate for 1877-78, and Abstract Budget Estimate for 1878-79.

2. The total income (including an opening balance of Rupees 200) aggregates Rupees 7,400 against Rupees 8,400 estimated for in 1877-78. The Regular Estimate, however, for 1877-78 is Rupees 10,200. The travellers' bungalow at Caroor was sold during the year for Rupees 2,500, and this amount has been added to Municipal funds under G.O., No. 2306, dated 14th September 1877. This accounts for the great difference between the Budget and Regular Estimates for the current year.

3. The estimated expenditure for 1878-79 is Rupees 7,216, leaving a balance of Rupees 184.

4. Endeavors will be made to spend the proceeds of the travellers' bungalow in erecting, as proposed, a school and municipal office within the current year. The whole sum is accordingly entered as an expenditure in the estimates for 1877-78 in calculating the opening balance. The Public Works Department are, however, so over-burdened with work that it is very probable that the whole amount will not be expended before April.

5. An extra teacher is provided for under the head "Municipal Schools," and the Results Grants have been lowered to Rupees 200.

6. Under Conservancy the allotment for hiring bullocks has been increased to Rupees 720. It is proposed to purchase three or four bullocks if the season proves favorable.

7. The expenditure under Lighting has been reduced considerably.

8. No other items, either under Receipts or Expenditure, call for remarks.

No. 310.

Submitted to the Chief Secretary to Government, Madras.

ENCLOSURES Nos. 2.—One Budget Estimate and one Regular Estimate.

CAROOR,
29th December 1877.

(Signed) G. MACKENZIE,
For President.

2. Following the actuals of the current year the receipts from tolls are put down at Rupees 2,200 against Rupees 2,800 in the estimates for 1877-78. Similarly, there is a falling off in the estimated receipts from the Tax on Vehicles and Animals and the Registration of Carts, and altogether the assets of the year will not, it is expected, exceed Rupees 7,400 against Rupees 8,400 in the last budget. The necessary reduction in expenditure has been effected by making no provision for new works

communications and reducing the allotment for lighting from Rupees 470 to Rupees 210. A sum of Rupees 35 must be provided from the unallotted balance as a contribution to the Medical College as directed in G.O., dated 25th January 1878, No. 147. It seems unnecessary to show the transactions connected with choultries in the Endowment Statement.

3. Subject to the above remarks the budget is passed.
