Most Respected Sir

I most humbly and respectfully beg to bring into your honor's kind notice my miserable Circumstance and solicit your honor's mercy to recommend me for the grant of leave.

2. I lost my son aged 20 years in the last month and a daughter of 16 years old in the month preceding it. I have heard that my eldest son is very ill. These Circumstances added to the difficult task to which I was subjected during the Famine have brought on me frequent attacks of Fever and weakness and thus made me unable to perform my official functions.

3. As I have availed myself of no other leave than that of Privilege during the past 20 years I request your honor to get me the Furlough on half pay for 2 years.

from the 1st March 1878.

4. It is very Essential for me now to go and look after my eldest son I regret to give this trouble to your honor on this occasion.

I beg to remain &c

Sir,

I have the honor to forward herewith an application for two year's furlough presented by P. Krishna Rao, Tahsildar of Ramalkota.

2. P. Krishna Rao has been in charge of the Ramalkota Taluq throughout the whole of the Famine. The distress in that Taluq has probably been greater than in any other Taluq of the District, and the numbers in receipt of State relief have always been exceedingly large. The situation, moreover, in the Taluq of the large town of Hurnool has tended greatly to increase the work of the Tahsildar, and his duties in connection with the large relief Camp at Haderahagh in the neighbourhood of Hurnool, with

the receipt and disposal of the enormous stores of Government grain (upwards of one hundred thousand bags) sent to Mur. mool; and with the custody and distribution of, and the accounting for, a famine expenditure in the Talug in excess of 16 lacs of Rupees, have thrown upon him an enormous amount of extra labour and responsibility which, coupled with the sad domestic bereavements to which he alludes in his petition, may well have had the effect of temporarily breaking down his health.

3. The accounts connected with the famine expenditure of the Talug have been carefully prepared, and will in a very few days be completed. They have nearly all been audited & found correct.

4. The Tahsildar has worked through out the Famine with an untiring diligence and energy which I have never seen surpassed, and which have won him the respect and admiration of all the European Officers of the Section whose

duties have brought them in contact with him. I have great pleasure in recording my opinion that the Tah. Sildar is eminently worthy of the consideration of Government. ⁶³/₃

Sir,

In forwarding an application for two years' Furlough submitted by Pandit Krishna Row Tahsildar of Ramalkota Taluq in this District together with copy of a letter from Mr. Clogston in which he brings prominently to notice the excellent service rendered by the applicant during the past year, I have the honor to recommend that the leave applied for by P. Krishna Row and to which he is entitled may be granted.

2 I am glad to be in a position fully to endorse the favorable opinion expressed by Mr. Clogston of P. Krishna Row's services.

3 I beg to recommend that N. K. Narayana Rao Tahsildar of Sivara be promoted to the Ramalkota Tahsildarship. He is the only other Tahsildar in the District who has really done good service during the past

Crisis, and in his place I think I cannot do better than nominate Mr. Rencontre.

4. Mr. Rencontre was one of the Chief Pleaders in my Court at Chingput. When the Famine commenced and I was ordered to this District he volunteered for Famine duty here in the hope of obtaining admission to the Revenue Department.

5. He is qualified for the post of Tahsildar and has worked with great zeal and industry throughout the Famine. He is well educated, both in English and in several Vernacular Languages including Telugu and is strong, active and intelligent so that although he has not hitherto had Revenue Experience, I feel satisfied he is more competent than any other available man I could name for the office of Tahsildar. I trust therefore that my nomination may be approved.

6. No Service Register of Mr. Rencontre has been submitted as required in G.O. dated 20th February 1878 No 269 as he has not yet been in Government employ. That of H. Narayana is being

not yet received. Aaidu is enclosed will be forwarded.
