Notification of the Government of India in the Financial Department, No. 846, dated 11th February 1876, in which it was ruled that whenever, on public grounds, a Commissioned Military officer holding a Civil appointment on consolidated pay, which is less than his Military pay, is allowed to draw the difference between them, he shall draw it from the department from which he receives his consolidated pay.

Resolution of the Government of India in the Financial Department, No. 2596, dated 16th August 1877, in which it was decided (1) that whenever, under the orders of 11th February 1876, the charge for the excess Military pay of an officer thus retained in Civil employ falls upon Provincial or Local Funds, the orders of the Local Government shall suffice for its admission by the Civil Account Department; (2) but that if the charge falls upon any grant which has not been surrendered to the Local Government, the sanction of the Government of India is necessary; (3) that in either case the Local Government should not, as a matter of course, or without careful consideration, authorize the retention in Civil employ of a Military officer whose Military pay exceeds the pay of his Civil office; and (4) that these orders do not apply to a Commissioned Medical officer whose commission is dated before the 7th November 1864, such officer being absolutely entitled to pay equal to the grade pay of his rank even while holding a Civil office.

RESOLUTION.—With reference to the third direction which has been recited from the Resolution of August 1877, the Governor-General in Council observes that if a Military officer who can be usefully employed in his Civil appointment were to be thrown on the Military Department under circumstances in which the latter could not employ him, extra expense would be needlessly incurred. His Excellency in Council is accordingly pleased to rule that, if in any case the relegation of a Military officer from Civil to Military employ would involve extra expense, or be otherwise unacceptable to the Military authorities, the consent of the Government of India should be obtained before such relegation is effected.

Ordered that this Resolution be distributed for information and guidance as follows:—

- To the several Departments of the Government of India.
- To the several Local Governments and Administrations.
- To the Comptroller-General and to the several Accountants-General and Deputy Accountants-General in independent charge.
