Mem. No. 2287

Proceedings of the Board of Revenue.
Dated 6 March 1878.

Read the following;

No. 1374.

From,

A. J. B. Atkinson Esq^r

A. J. Head Asst. Collector

Nellore

To

James Crook Esq^r

Collector of Nellore

Sir,

I have to ask your favor-

able consideration in the following
case.

2. Maunka Chunda Lalla is the
2^d Class Rev. Inspector of the Uda-
yagiri Taluk. He has nearly 18 years
approved service of which 9 years has
been

been spent in his present post. He has the highest Testimonials dating from the year 1861. For myself I can say that he is the best worker in the Taluk, so much so that when the Duttaburn & Oranah Road was put under supervision, he was selected for the post of Superintendent and granted Rs 40 a month. The work having now been taken over by the Department Public Works, Manikam Chendur Lalla has reverted to his old appointment in the Revenue Department.

3. I wish to recommend him for promotion as 1st Class Revenue Inspector to which he seems to me to be entitled but he has passed no tests. His

occupations

as you are aware fore-
cludes the opportunity of time for
study. His continued service, actual-
ly dates from 1st July 1859 that is
just after the rules came into force.
But it appears that in 1855 June,
July and August he acted as
"Mulki" writer in the Nazam on pay
of Rs 8 a month, and in 1856 as a
temporary writer in the English Record
Department in the Nazam on a salary
of Rs 20 a month (The number of months
cannot be ascertained) and in June,
July & August 1858 as Post Office writer
in Mellore Post Office on a salary of
Rupees 18 a month. I beg that he
may

may be exempted from passing
the General Test.

It is right that I should state
that a similar application was made
by my predecessor and refused by the
then Collector in his order No. 1490 of
26th February 1876. Considering, however,
the work that has been done since
I trust that the case may receive
your support.

I have received

No. 654. / True Copy /

Submitted for the favorable con-
sideration of the Board of Revenue.

The facts that Manikow Chandra
Lalla has done good work during
the

the Famine and that he had been
in the service of Government pre-
vious to the Examination Rules seem
to make the case an exceptional
one.

The Board are aware to sub-
mitting recommendations of this
nature to Government in ordinary
cases, but this seems an exceptional
one and deserves consideration.
