Office of the Dy Surveyor of Forests
Camp Harwar 6/17th Decr 1877.

From

The Probationary Assistant
Harwar

To.

Lt Colonel R. H. Beddome
Commissioner of Forests.

Sir,

I have the honor to state that the civil surgeon has ordered me to leave the District at once, adding that my only chance of procuring better health is to take a change. He gave me a certificate for 6 weeks, and says I am suffering from fever and dysentery.

2 I informed the collector enclosing the Civil Surgeon's Certificate. I proposed handing over charge to the Municipal Deputy collector or Forest Ranger; the collector approved of the former suggestion.

3 It is impossible for me to do work, except office, as I am very weak; besides the civil surgeon stated that it would be walking into my grave to proceed into camp.

This being the case, the forests
would.

would not benefit at all if I remained
in charge.

4. I enclose the declaration generally
sent with applications for leave. I
have not enjoyed any leave since 7th
of June, 1876, so I am entitled to the
6 weeks.

5. I must inform you that I was
attacked when enroute from Rajahmundry
and therefore have been an invalid the
whole time I have been in this District.
At the same time I have not remained
idle, as there was a great deal of work
in the Office, and still is.

I have the honor to be

Sir,

Your Most Obedient Servant
