No. 793.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 21st March 1876.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated 26th February 1876, No. 53:—

With reference to clause 2, paragraph 17 of the Board's Proceedings, No. 138 of 18th January 1876, disallowing the "increase of Rupees 760" on account of the District Post establishment for 1876-77, I have the honor to point out that the sanctioned scale is not Rupees 3,600 as noted by the Board, but Rs. 4,360—vide Revenue Board's Proceedings, No. 1,710 of 21st June 1875, Miscellaneous No. 1,532, of 19th February 1876, and also my Budget estimate reviewed under the head of "Estimate 1875-76;" Rupees 760 is therefore no increase but a portion of the sanctioned amount, and is not liable to be disallowed.

THE Collector has fallen into the error of mistaking a Budget allotment for a sanctioned scale of establishment.

2. On the 1st July 1874, the Collector reported the sanctioned establishment of his District Post as consisting of one Gumastah on Rupees 10 a month, twenty-five Letter Peons on 5 Rupees each, and thirty-three Runners on 5 Rs. each, making a total of Rupees 300 a-month, or Rupees 3,600 a year. Certain proposals were subsequently made for the increase of the establishment, and in their Proceedings, dated 21st September 1874, the Board approved of the proposed increase and said that it might be included in the Budget for 1875-76, when the necessary sanction of Government could be obtained. The increase was accordingly made in the Budget allotment for the current year, but the specific sanction of Government has never been accorded. On the 4th February last, the Collector submitted to the Board a list showing a proposed redistribution of the grant to take effect from the 1st of that month, and in according their approval, the Board overlooked the fact that an increase to the sanctioned scale of establishment was involved. The cost of this establishment is Rupees 359 a month, or Rupees 4,308 a year.

3. The allotments made in the Budget for 1876-77 are considerably in excess of the grant, and no provision for this increase of establishment can now be made. The Collector will therefore limit his expenditure to the amount of the Budget provision for his district.
