No. 338. Read the following Proceedings of the Board of Revenue, dated 9th May 1876, No. 1,211:—

Read the following letter from H. W. BLISS, Esq., Acting Collector of Madura, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Shembaganur, 10th April 1876, No. 140.

I HAVE the honor to submit herewith a statement showing the names, revenue, &c., of certain villages which I am of opinion should be transferred from one taluq to another in this district.

2. It will be seen therefrom that twenty-nine villages are proposed to be transferred from Madura to Tirumangalam Taluq, one from Madura to Melur, one from Tirumangalam to Melur, and one from Dindigul to Madura. Of these thirty-two villages, five are Ain, twenty-six Inam, and one Zemindari. Many of these Inam villages either form a part of the endowments of the Madura pagoda, or are Service Inams belonging to the pagoda servants. They are all nearer to the cusbah station of the taluq to which they are now proposed to be transferred than to that of the taluq to which they belong, and several of them are entirely surrounded by the villages of the latter taluq. They seem to have been attached originally to the Madura Taluq as forming part of an estate, the major part of which was in that taluq.

3. The magisterial jurisdiction over all the thirty-two villages now belongs to the taluq to which they are now proposed to be transferred, with the exception of one, *viz.*, No. 23, Allalapery, the jurisdiction over which now belongs to the neighbouring Magistrate of Tiruchuli, in Ramnad, but should be transferred to that of Tirumangalam.

4. Under these circumstances, I request that the sanction of Government may be obtained for transferring the villages as proposed in the accompanying statement from the beginning of Fasli 1286, save as regards the Abkari farms. The way in which these villages are now detached from the taluqs to which they now nominally belong, causes great inconvenience with regard especially to the administration of the Abkari. For the present this cannot be helped as the Abkari farms have been let for three years, but otherwise the change will be very advantageous, and may as well be made at once.

THE sanction of Government is requested to the proposed transfers, which have the approval of the Board.

2. The usual Draft Notification is submitted herewith.
