No. 344. Read the following Proceedings of the Board of Revenue, dated 16th May 1876, No. 1,272:—

Read the following Proceedings of the Madras Government, dated 22nd April 1876, No. 922, Revenue Department:—

ABSTRACT.—Requesting to report on paragraph 2 of Proceedings, Public Works Department, on the subject of the measures taken by the Collector of Cuddapah to advance the interests of the Madras Irrigation and Canal Company.

COMMUNICATED to the Acting Collector who will report without delay definitely what measures have been taken to promulgate the rules, instruct the subordinate Revenue officials and secure the thorough performance of their duties in connection with applications for water. The steps taken by the Collector of Kurnool, mentioned in the Canal Officers' reports recorded in G.Os., dated 21st October 1874, No. 2,096, Public Works Department, and 21st January 1875, No. 175, Public Works Department, appear sufficient to ensure a proper knowledge of the rules; and if similar means are adopted in Cuddapah, there will doubtless be no further cause for complaint.

The Acting Collector will place himself in communication with the Canal Officers at once, and having ascertained the nature of the assistance required at the hands of the Revenue Officers, will report what obstacles there are to compliance with their wishes.

2. The Collector of Kurnool will also ascertain and report whether the Canal Officers have any suggestions to offer with a view to an improvement of the means for giving effect to them.
