*Proceedings of the Madras Government, Revenue Department,
1st June 1876.*

No. 9. Read the following Proceedings of the Board of Revenue, dated 22nd May 1876, Miscellaneous No. 4,211 :—

Read the following Proceedings of the Madras Government, Revenue Department, dated 6th May 1876, No. 580.

ABSTRACT.—Sanctioning the employment of the proposed additional establishment in Sea Customs Offices at Paumben and Devipatam, Madura District, subject to the confirmation of the Government of India.

COMMUNICATED to the Collector of Madura for his information and guidance.

2. The Board submit that the increase proposed is in connection with the trade returns. The Collector proposed the establishment at the two ports in question in continuation of his proposals in regard to the establishment required for the preparation of the trade returns, and his object in proposing the addition was evidently to relieve the existing hands of a portion of their work to enable them to send the necessary trade returns to him in time.

Customs.

THE Government observe that the Collector, in his letter recorded in G.O., 6th May 1876, No. 580, assigned reasons which in no way directly related

to the Trade Returns. The extent of trade and the amount of work were specially referred to, and the sanction of Government was accordingly granted. There is no necessity, therefore, for connecting the present increase with the Trade Returns, for the preparation of which, however, special facilities will doubtless be afforded by the arrangement now sanctioned.
