Budget Estimate.

Read the following papers:—

No. 123. *Proceedings of Government in the Revenue Department, dated 21st February 1878, No. 488.*

Read the following Proceedings of the Board of Revenue, dated 16th February 1878, Miscellaneous No. 1699, on letter from L. McIver, Esq., C. S., on Special duty, Imperial Gazetteer, dated 23rd January 1878.

With reference to Board's Proceedings, Miscellaneous No. 17,286, dated 21st December 1877, and Official Memorandum, No. 37, dated the 22nd instant, I have the honor to forward copy of a communication from Mr. Moore, Superintendent of the Lawrence Asylum Press, from which you will see that there is a difficulty about the paper, as it is not large enough for my work.

Submitted for the orders of Government with reference to G.O., dated 19th December 1877, No. 0012.

2. Mr. Lewis McIver reports that the paper is not large enough for the work on which he is engaged. It will not answer for the printing of Selections from the Records, for which purpose double double pott is required. Provision might perhaps be made for the cost of the paper in the Stationery Superintendent's Budget for the next year.

Referred to the Financial Department with reference to the suggestion made by the Board in the concluding sentence.

Read the following Proceedings of the Board of Revenue, dated 25th February 1878, Miscellaneous No. 2005, on letter from Messrs. Foster and Co., 22nd February 1878.

We beg again to remind you of the printing paper which is still lying in our hands, despite the assurance we obtained from Government that it would be taken up

for their use. We beg you will refer to our letter to you, dated the 17th January 1878, calling your attention to this matter. We have had entailed upon us a large loss in interest by the paper lying idle in our hands, and in praying that there may be no further delay in relieving us of the paper and paying us the amount due upon it, we have also to beg that we may recoupe the loss we have suffered in accumulated interest.

Submitted to Government with request that early orders may be passed on Board's Proceedings, dated 16th February 1878, Miscellaneous No. 1699.

Forwarded to the Financial Department in continuation of G.O., in this Department, 21st instant, No. 488.

No. 125. From W. E. WRIGHT, Esq., Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 28th February 1878, No. 957.

With reference to your endorsement, dated 23rd February 1878, No. 311, on the Proceedings of Madras Government, Revenue Department, No. 488, dated 21st February 1878, and to my letter, dated 10th November 1877, No. 750, I have the honor to state that this office is unable to include the cost of the demy size printing paper now with Messrs. Foster and Co. in the Budget for the next official year, as the same has already been submitted and passed by Government in their Financial Proceedings, No. 2447, dated 5th October 1877.

2. I therefore submit the accompanying Civil Supplemental Budget Estimate for the official year ending 31st March 1879 for Rupees 2,120, being the cost of the printing paper, and request that the sanction may be accorded to enable me to comply with the order of Government.

No. 126. ORDER THEREON, 14th March 1878, No. 489.

His Grace the Governor in Council resolves to sanction the supplemental estimate for 1878-79, for Rupees 2,120, for the local purchase of some stationery, and directs that copy of these Proceedings be forwarded to the Government of India, in view to the requisite provision being made for the amount in the General Civil Budget, under Grant 22, "Printing and Stationery."
