GOVERNMENT OF INDIA
PUBLIC WORKS DEPARTMENT

7th March 1878, 1,164 W.

Buildings and roads.

Read the following papers:—

No. 86. From Lieutenant-Colonel R. Malabar, to the Chief Engineer, 2nd February 1878, No. 154.

NNEDY, District Engineer,
arks Department, dated Calicut,

I HAVE the honor to forward encls

From District Engineer to the Collector, No. 64, dated 25th January 1878, and No. 65, dated 30th January 1878.

the Collector of Malabar, I have directed
passed on a reference, which, to save the

once as per margin, and solicit Government thereon. The plan and estimate were submitted in strict accordance with the directions given in your letter, No. 192, dated 28th Janu-

In compliance with request of
be stopped till orders have been
requested him to make.

From W. LOGAN, Esq., Collector of Malabar District,
Calicut, 22nd Jan 1864.

the District Engineer, Malabar, dated
8, No. 108.

I HAVE the honor to inform you that I is intended as an office for the Sub-Registrar at M building, and that it is proposed to build it just

from the Ernad Tahsildar that a new room, No. 2, is about to be added to the Taluk Cutcherry on the east of the room lately used as Post Office.

2. I consider that any addition to the by
venient to all parties, and I should, therefore
the work now going on and that you will have
Subsidiary Jail, a situation recommended by the

ing towards the back is undesirable and incon-
obliged by issuing immediate orders to stop
office built on the western side of the present
shildar.

REFERENCE No. 108, dated 22nd January

as order of Government the room used as accommodation for the Sub-Registrar and the Acting District Engineer sent in another by the above, and G.O., No. 1,351, dated 30th am therefore unable to make any alteration

tant, I have the honor to observe that the opinion of the Revenue Department, which the alterations required.

2. Under these circumstances, I in the building until the matter has been decided.
3. The Government Order quoted above.

From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, dated Calicut, 15th February 1878.

REFERENCE No. 178, dated 28th January 1878.

I have the honor, with reference to the above, to inform you that the work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

*No. 1,351, dated 10th May 1876.

accordance with specific orders of utilization, as part of the account of the transaction occurred. The work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

No. 86-A. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Chief Engineer, Calicut, 15th February 1878.

In continuation of my letter No. 224, dated 6th February 1878.

as well that before issuing an order, I have the honor to inform you of the present state of the work. The work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

From Captain H. BAILEY, Executive Engineer, Malabar, dated Calicut, 15th February 1878.

With reference to your letter ordering the work, I have the honor to inform you that the work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

If, therefore, a separate building is required for restoring the old building to its original state, I, for my own part, cannot see what the Government, who in their order on the subject, have no connection with the Tahsildar's Cutcherry, except being under the same roof.

No. 86-B. Telegram from the District Engineer, Malabar, to the Chief Engineer, Calicut, 15th February 1878.

BASEMENT almost completed. Foundations of old verandah dismantled.

No. 86-C. From D. BUICK, Esq., Government, Public Works Department, No. 12.

I HAVE the honor to acknowledge and to acquaint you that I have no objection to the work being carried out as proposed.

11 MARCH 1878, No. 1,164 W.

see my sanction to your making any alterations brought forward, discussed, and sanctioned. I can send to you.

District Engineer, Malabar, to the Collector of Calicut, dated Calicut, 15th January 1878, No. 65.

close for your perusal the G.O. alluded to in my letter, No. 63, dated 25th January, which passed on a revised estimate submitted in the name of the room and its position, as well as the work to be done. You will find that the work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

B. KENNEDY, District Engineer, Public Works Department, dated Calicut, 15th February 1878.

dated 2nd instant, I have the honor to forward copy of report I called for in the Range Officer, as I considered it subject the Government should be aware of the nature of the objection. He has communicated direct, but it can be left partly unroofed as it is now.

Madras Division, to the District Engineer, Calicut, 15th February 1878, No. 224.

be stopped at the Manjeri Sub-Registrar's office. The roof of the cutcherry has been taken down, and the foundation has been dismantled, and that the work has already advanced to such an extent that it will be so good as to write also, such letter. Please kindly return the same.

Engineer, Malabar, to the Chief Engineer, Calicut, 15th February 1878.

Collector of Malabar, to the Secretary to Government, Calicut, 15th February 1878.

of your telegram of the 15th instant, I have the honor to acknowledge and to acquaint you that I have no objection to the work being carried out as proposed.

Registrar's Office objectionable and inconvenient, and that he is of opinion that the new office (which should be a detached building) should be built on the northern side of the cutcherry between the Subsidiary Jail and the old bungalow.

No. 87. ORDER THEREON, 7th March 1878, No. 1,164 W.

The work must proceed as ordered, it being too far advanced to allow of change. The work must proceed as ordered, it being too far advanced to allow of change. The work must proceed as ordered, it being too far advanced to allow of change.

(True E. B. Kennedy)

Colonel, R.E., Secretary to Government, P.W.D.

To the District Engineer, Malabar, Revenue Department.
