Sir

As it appeared doubtful whether the proviso to Section 25 of the Civil Leave Code could be made applicable to an Officer who gets leave under Supplement F of the Civil Leave Code the Accountant General has since informed made a reference to the Government of India on the subject, and in case the reply is favourable, they that of the six weeks privilege leave granted to me on 8th January last thirty days may be commuted into subsidiary leave and that my sick leave may reckon from the end of the subsidiary leave.

The reason why I was unable to leave India within thirty days from quitting my station was that I was then sick in Hospital and after getting better I had to go back to Nundial to pack and dispose of my

my effects (the Medical Board having, in the meanwhile,
ordered me Home for 2 years) as
I had left them all behind me, ex-
pecting to return to duty at the end
of the six weeks privilege leave.

I have the honor to be
