ENCLOSURE No. 1.

From Captain F. HOLE, Acting Superintendent of Police, Malabar, to Lieut.-Colonel C. S. HEARN, Inspector-General of Police, Madras, dated Calicut, 25th April 1876, No. 293.

With reference to your endorsement, No. 1,597, dated 1st April 1876, on the copy of the Proceedings of the Board of Revenue, dated 24th March 1876, regarding the employment of a Police guard at the Custom house at Calicut, I have the honor to report that it is not considered advisable to leave the checking of issues, &c., entirely to revenue servants who would be all subordinate to the Salt Superintendent. In short, if it was left entirely to revenue servants there would be no check whatever.

2. As regards the strength of the guard, I am of opinion that the following number of men would be quite sufficient, viz. :—

1 4th Grade Head Constable.
1 1st-Class Constable, and
1 2nd-Class Constable.

SUBMITTED for the orders of Government with copy of Board's Proceedings, dated 24th March 1876, No. 833. Although in G.O., dated 3rd March 1876, No. 446, Financial Department, the Government state that they are unable to provide additional Police Guards for salt duty from Provincial Funds, the Board presume that funds will be allotted by the Government of India to meet urgent cases such as the present.

2. The Collector will state why the salt duty could not be demanded and collected once for all, and merchants made to make their own arrangements for the storage. It will render unnecessary a Police guard.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th March 1876.

Read the following letter from W. LOGAN, Esq., Acting Collector of Malabar, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Betatpudiangadi, 9th March 1876, No. 61:—

I HAVE the honor to inform you that large quantities of dutiable foreign salt are being landed at Calicut Port for private sale, the whole of which is stored in the temporary sheds erected for the purpose within the Custom-house yard.

2. The merchants clear occasionally only such quantities as are required for sale, and at this rate it is expected

1 Head Constable, 3rd-grade	Rs. 15
1 Constable, 1st-class	8
1 Do. 2nd-class	7
1 Do. 3rd-class	6½

Total cost per mensem .. 36½

that the sheds will not be wholly cleared for a year. I have therefore considered it expedient to have a Police guard of the marginally-noted strength posted there for day duty to check issues, &c., and request that the measure may meet

with the approval and sanction of the Board.

3. The duty on the quantity already imported will exceed considerably a lakh of rupees.

It does not appear that the Police authorities have been consulted. All proposals of this nature should invariably be forwarded to the Board through the Inspector-General of Police.

2. As the matter is emergent, however, the Board will forward the Collector's letter to the Inspector-General, with a request that he will favor them with his opinion regarding the strength of the proposed guard.
