No. 99. Read the following Proceedings of the Board of Revenue, dated 22nd May 1876, No. 1,339:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 9th May 1876, No. 278:—

IN introducing the new scheme of village establishment in the sixty-nine villages of the Sydapet Taluq, where the revised settlement is being brought into force this fasli, I have the honor to request that I may be furnished with a copy of the form, if any, in which the register for enfranchising the Village Service Inams at five-eighths of the taram assessment should be furnished to the Inam Commissioner, as directed by the Board in their Proceedings of the 1st August 1870, No. 5,112.

2. I also request the sanction of the Board for entertaining a gumastah for the present on a salary of Rupees 20 a-month, for preparing the register of the sixty-nine villages in question, as the taluq establishment is already overworked and extra aid is really necessary.

3. It is stated in paragraph 8 of the Board's Proceedings quoted above, that "any excess in the extent of the Service Inams which under the rules is chargeable with full assessment should be fully assessed." I wish to know whether these "rules" are those embodied in the Board's Standing Circular Order No. 173.

4. I also wish to know how deficiencies in the extent of Minor Inams, including those of Village Service, are to be dealt with, as I find nothing bearing on the subject in the rules contained in Board's Standing Circular Order No. 173, or any other order of the Board.

5. I would suggest that the gumastah I have applied for, if sanctioned, may be kept on, after these villages are finished, to prepare the register of other villages where the scheme will have to be brought into force in the course of next fasli.

THE Inam Commissioner will be requested to furnish the Collector with the form of the register.

2. The Collector may employ a gumastah on a salary of Rupees 20 for preparing registers so long as there is work for him, subject to the sanction of Government. The Inam Commissioner will report whether the charge cannot be met from the provision made in his Budget.

3. The rules referred to by the Collector in paragraph 3 are those embodied in Board's Standing Order No. 173.

4. Deficiencies in the extent of Inams are not to be made good by Government. The area under actual enjoyment is alone to be confirmed.
