*Proceedings of the Madras Government, Revenue Department,
12th June 1876.*

No. 130.

No. 918.

MEMORANDUM.

Proceedings in the Revenue Department, dated 21st April 1876, No. 528.

THE Chief Engineer has no further professional remarks to offer on the plan and estimate now submitted for sanction. It appears to be settled that the Assistant Collector and Forest officer are to be moved from their old Office in the compound of the Travellers' bungalow; and that treasury accommodation is to be provided, although the Government treasure is actually lodged in the Branch Bank of Madras, and it is desired that upstairs accommodation be provided. Granting these premises, and overruling the objection to demolishing an existing building of large size and in perfect repair, the Chief Engineer cannot say that the proposed arrangements are not as good as could be devised. But they are costly; and it will be impossible to find funds for the work for some time to come, with due regard to more pressing wants.

OOTACAMUND,
7th June 1876.

(Signed) G. W. WALKER, Major-General, R.E.,
Chief Engineer, P.W.D.

No. 131.

ORDER THEREON, 12th June 1876, No. 786.

Miscellaneous.

THE remarks of the Chief Engineer will be communicated to the Collector through the Board of Revenue. In consideration of the delay that will take place in finding funds for the execution of the work on such a large scale as the one proposed, it seems desirable to confine the proposed expenditure to such improvements as may be absolutely necessary, leaving substantial structures in good order, like the treasury, untouched.

(True Extract.)

Memorandum

Proceedings in the Revenue Department No. 521 of 21st April 1876.

786/V

The Chief Engineer has no further professional remarks to offer on the Plan & Estimate now submitted for sanction. It appears to be settled that the Asst Collector and District Officer are to be moved from their old Office in the lower portion of the Sewaller's Bungalows; and that Green's accommodation is to be provided, although the Govt. Treasury is actually lodged in the District Bank of Madras. And it is desired that upstairs accommodation be provided. Granting these premises, and overlooking the objection to demolishing an existing building of large size and in perfect repair, The Chief Engineer cannot say that the proposed arrangements are

Memorandum

From

The Chief Engineer
Dept. Pub. Works

Dated 7th & 9th June 1876
No 918

By Order
of the Chief Engineer

Regarding proposed additions and
alterations to the Civil Office, S. J. J. J. J.

No 786
The remarks of the Chief
Engineer will be com-
municated to the Com-
missioner for the P. W. D.

Considering the delay that
will take place in finding
funds for the execution of his work
on such a large scale as
the one proposed, it seems
desirable to confine his
proposed expenditure to
such improvements as
may be absolutely ne-
cessary, leaving sub-
stantial alterations in
good order, like the Treasury
unimpaired -
