*Proceedings of the Madras Government, Revenue Department,
13th June 1876.*

No. 134. Read the following Proceedings of the Board of Revenue, dated 1st June 1876, Miscellaneous No. 1,500:—

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of Sea Customs, Madras, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Madras, 26th May 1876, No. 912.

I HAVE the honor to report for the information of the Board, that a portion of the central ventilator in the roofing of the southernmost shed in the Import Yard of the Custom-house came down at about 8 p.m. yesterday. No goods, however, have been damaged.

2. The District Engineer, Presidency, had been advised of the unsafe condition of the roofing in letters, dated 21st October 1875, No. 1,499, and 20th March 1876, No. 485, and I have now written to him to inspect the premises, and have the necessary repairs executed at once.

SUBMITTED for the information of Government.

2. It appears that the unsafe state of the ventilator was brought to the notice of the District Engineer in October 1875 and again in March 1876. Some explanation of the delay in attending to the matter seems called for.
