Proceedings of the Madras Government, Revenue Department,
13th June 1876.

No. 136. Read the following Proceedings of the Board of Revenue, dated 18th May 1876, No. 1,294:—

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Chepauk, 20th April 1876, No. 1,126-44.

I HAVE the honor to forward, for submission to Government, two lists and a sketch of villages recommended to be transferred from Bellary to Alur Taluq and *vice versâ*, on the ground that the River Huggri would, if the proposals be sanctioned, form a natural boundary between the two taluqs.

2. The Collector of the district is in favor of the transfer of four * villages from Alur to Bellary, and of two † out of ten villages from Bellary to Alur Taluq. As regards the remaining eight villages, he is of opinion "that the transfer cannot conveniently be made, as the present arrangement is well adapted for administrative purposes, the villages being situated much nearer to Sergappa, the head-quarters of the Sub-Magistrate and Deputy Tahsildar, who has charge of the villages, than to Alur which is the head-quarters of the Tahsildar of that taluq. The river being fordable nearly all the year round, no inconvenience is felt by the villagers in getting to the other side of the river."

* Kuriganuru, Chinnahadagali, Peddahadagali, and Basarakodu.

† Nagarakanuvi and Mudatamagi.

3. The Deputy Superintendent of Revenue Survey, Bellary, while forwarding the proposals points out that the objections now made by the Collector are the same as those urged by him in 1873, but which did not commend themselves to the Board of Revenue.

Proceedings, dated 30th July 1873, Miscellaneous No. 4,782.

4. As the expediency of having a natural boundary has already been recognised by the Board, I request that sanction may be obtained for the transfer proposed.

ENCLOSURE No. 1.— Sketch.

ENCLOSURES Nos. 2 and 3.—Lists.

SUBMITTED for the orders of Government with Board's recommendation that the proposed transfers be sanctioned.

2. Admitting, as in the case disposed of in G.O., dated 14th August 1873, No. 847, the weight of the objections urged by the Collector to the transfers marginally noted, they consider, for the reasons therein recorded, that it is expedient to carry it out.
