Read again endorsement of Government, dated 15th May 1876.

I HAVE the honor to bring to the notice of Government, that although the control and management of the District Post has been transferred from the Revenue to the Imperial Post, no provision has been made for an establishment to assist in the clerical and other duties that are thus added to my office.

3. Most probably four or five clerks will be required for the efficient conduct of the duties of the branch when the improvement and extensions under progress are fully carried out, but I content myself for the present by asking for an esta-

blishment, as per margin, of three clerks and an allowance of Rupees 50 to the Head Assistant of this office, who has hitherto taken and will have to continue to take a considerable share in the conduct, arrangement, and supervision of the clerical and other responsible duties of the branch.

5. I have ascertained that the sum of Rupees 165, required for the proposed establishment, is available from small sums unexpended from the Budget assignment in the Chingleput, North Arcot and Godavery Districts.

7. I request the favor of early orders being passed on this letter.

*Proceedings of the Madras Government, Revenue Department,
13th June 1876.*

REFERRED to the Board of Revenue for report.

OOTACAMUND,
15th May 1876.

(Signed) D. F. CARMICHAEL,
Secretary to Government.

In the foregoing letter the Postmaster-General applies for sanction to entertain an establishment for the control of the District Post.

2. The Board consider that Mr. Turner is fairly entitled to a separate establishment, as it is obvious that the work of his office has been materially increased by the transfer of the administration of the District Post to his office. The proposed expenditure amounts to Rupees 165 a month, which sum the Board think reasonable and accordingly resolve to recommend that it be sanctioned by Government.

3. The charge will be met from savings from the Provincial grant.

Sir,

I have the honor to bring
to the notice of Government that
although the control and management
of the District Post has been transferred
from the Revenue to the Imperial Post,
no provision has been made for an
Establishment to assist in the clerical
and other duties that are thus added
to my Office.

These duties have hitherto
been carried on in a make-shift way
with considerable difficulty by the hands
of the office Establishment allowed for the
work of the Imperial post, but this is
found to be practicable no longer.

Establishment for the control of the District
Post transferred from the Revenue to the Imperial
Post management. Submitting the proposed
charge amounting to Rs. 150 a month, for the
employment of an —

as not only has the work of the Imperial post increased very greatly, but, owing to the carrying out of the improvements and extensions in the District Post as reported in the Honble Major Bursk's and my letters recorded in Government Orders Nos 1513 and 441 dated 15 October 1875 and 2nd March 1876 respectively, the work of the District Post Branch is now of such magnitude that it is found almost impossible to get along without a special Establishment organized as a separate branch for this work.

Most probably four or five clerks will be required for the efficient conduct of the duties of the branch when the improvement and

The sum of Rs 165 now asked for will not really be a new charge on the District Post Fund, but only a transfer of about one-half of the amount actually saved already by the discontinuance of the Goomasta

one of whom was formerly employed in the Muzoor Lutcherry in each Collectorate to regulate the management that is now transferred to the Imperial Post.

I have ascertained that the sum of Rs 165 required for the proposed Establishment is available from small sums unexpended from the budget assignment in the Chingleput, North Arcot, and Godavery Districts.

I may add that the sum of Rs 165 is also considerably below what is allowed for a similar Establishment in the offices of the Postmaster General Bombay, Punjab, and North West Provinces where

the Establishments cost Rs 334, 250 and 350 respectively.

I request the favor of early orders being passed on this letter.

I have the honor to be

Your most obedient servant

Acting Postmaster General

Dated 2nd June 1876.
