Read the following papers:—

No. 146. Proceedings of the Board of Revenue, dated 6th April 1876, No. 937, Forest No. 36.

Read Official Memorandum from H. B. GRIGG, Esq., Acting Under-Secretary to Government, Revenue Department, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 22nd March 1876, No. 49.

ABSTRACT.—Calling for a reply to G.O., dated 12th November 1874, No. 1,440, awaiting information regarding the transfer of Gudiattam jungles to the Forest Department, permanently.

IN his letter, dated 23rd July 1874, No. 386, recorded in G.O., dated 12th November 1874, No. 1,440, the Collector of North Arcot suggested that the Gudiattam forests, conserved under the Jungle Conservancy Rules, should be transferred to Forests, Imperial, on account of their situation near the line of railway, and because an establishment had been already sanctioned for them and the cost thereof ordered to be met from Imperial revenues.

2. The Board deferred the consideration of the matter with the view of consulting Captain Walker who was at that time shortly expected at Madras, but the matter has since escaped their notice.

Paragraph 3, Board's Proceedings, recorded in G.O., dated 12th November 1874, No. 1,440.
Paragraph 4, Board's Proceedings, recorded in G.O., dated 15th March 1875, No. 423.

3. The Board observe that the Gudiattam forests, as well as all other jungles conserved under the Jungle Conservancy Rules, are now managed by the Forest Department, though their receipts and expenditure are credited and debited to the Jungle Conservancy Fund, and that the cost of establishment is not debited to Imperial. There is, therefore, apparently no necessity for the transfer at present.

No. 147. Proceedings of the Board of Revenue, dated 23rd May 1876, No. 1,352, Forest No. 49.

Read the following letter from Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, to H. B. GRIGG, Esq., Acting Under-Secretary to Government, Revenue Department, dated Ootacamund, 27th April 1876, No. 602.

WITH reference to the Board's Proceedings, No. 36-937, dated 6th April 1876, I have the honor to inform you that I consider that all the Gudiattam and

the remainder of the Chendragherry forests should be brought under Imperial conservancy; our newly sanctioned scale has provided establishments for these tracts. They are of great importance with reference to the supply of fuel to the south-west and north-west lines of railway; and the Collector and Captain Walker were agreed as to their transfer.

* Dated 23rd January 1876. I forward a demi-official letter* from the forest officer of the North Arcot Division, by which you will perceive that the revenue from Palmanair and Chittoor will be ample for local conservancy purposes; and I think that if these two taluqs remain under local conservancy, and the whole of Chendragherry and Gudiattam be placed under Imperial conservancy, the distribution will be fair.

ENCLOSURE No. 1.

From T. SHEFFIELD, Esq., to Lieutenant-Colonel R. H. BEDDOME, Conservator of Forests, dated Vellore, 23rd January 1876.

NEITHER the Gudiattam or Amboor questions are settled; but with regard to the Gudiattam jungles, I hope they, as well as the whole of Chendragherry, will be made over to forests on 1st April next.

2. The new scheme of establishment, which will come into force on 1st April, provides establishments for Gudiattam and Chendragherry, and the Collector and Captain Walker, when I made out the new scale, agreed to their transfer; but since then the Collector had written to me to inquire what will be the effect on the Jungle Conservancy Funds by the transfer, and I have answered that, in consequence of the great increase of revenue in Palmanair and Chittoor since I have had charge of the local jungles, there will be as much revenue in future from these two taluqs as there has been hitherto from the four local taluqs; so that, although Gudiattam and the remainder of Chendragherry be transferred to Imperial, there will be as much money as usual available for local purposes.

3. The revenue derived during the past nine months from the one taluq of Palmanair is more than was derived last official year from the whole of the local jungles, so there need be no hesitation in making over Gudiattam and Chendragherry for fear of falling short of funds for local planting.

FORWARDED to the Board of Revenue for remarks with reference to their Proceedings, dated 6th April 1876, No. 36-937.

18th April 1876.

(Signed) H. B. GRIGG,
Acting Under-Secy. to Govt.

UNDER the circumstances stated, the Board have no objection to the permanent transfer of the Gudiattam and Chendragherry forests from Local to Imperial.
