No. 321. Read the following letter from A. CRUICKSHANK, Esq., Acting Collector and Special Agent of Sc Arcot, to the Honorable D. F. CARMICHAEL, Chief Secretary to overnment, dated Cuddalore, 30th April 1878, No. 173 :—

WITH reference to G.O. of the 6th ins nt, No. 201, Political Department, I have the honor to state that I am decidedly f opinion that the suggestion of the Superintendent of Revenue Survey should be iven effect to. The Sub-Collector is also of the same opinion. Moreover I would take this opportunity of calling the attention of Government to their Proceedings of the 3rd October 1876, No. 1,404, Revenue Department, wherein the rectificatio n of the frontier by an exchange of villages was discussed. Now is the time to h ve this done if it is ever to be done, and I think it may be safely said that, if this o portunity is allowed to pass without anything being done, no rectification will ever ake place.

Memo: L. Ackers

Re letter from the Collector and Special Agent of South Arcot dated 30th April 1878 No. 173 stating that he is of opinion that the suggestion of the Supdt of Revenue Survey contained in G.O. No. 201 of the 6th Instant Political Department should be given effect to.

1. Is it any use considering the question of rectification? G.O. 3rd October 1876 No. 1404 shows that such a discussion is not likely to lead to any good. The completion of the survey of existing boundaries would at all events be no hindrance to future rectification but rather make the matter clearer and easier of disposal

Before the attempt the simple points; Rectification is out of the question

Govt. directed the demarcation to go on under the direction of the Collr. & Pol: Agent who should be desired to place himself in communication with the
