No. 300. Read the following Proceedings of the Board of Revenue, dated 22nd June 1876, Miscellaneous No. 5,191:—

Read the following letter from A. McC. WEBSTER, Esq., Collector of South Canara, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 9th June 1876, No. 1,158.

With reference to the Board's Proceedings, Miscellaneous No. 2,832, dated the 3rd April last, on G.O., No. 457, dated 31st March, I have the honor to state that the extra establishment sanctioned for the preparation of the Trade and Navigation Returns for past years has not been able to complete the work within the three months, for which time its retention was allowed. I therefore beg to request the sanction of Government for the retention of the establishment for a further period of three months.

2. Mr. Horsfall, when applying to the Board for the retention of the three extra Clerks for *at least* three months in excess of the term fixed by the Board in their Proceedings, dated 23rd October 1875, No. 2,944, was right in stating that when I applied for the extra establishment I was under the impression that it would be required for about six months under ordinary circumstances; but during my absence on leave the instructions for the preparation of the Trade Returns were so changed that the Clerks had (under the circumstances stated in paragraph 5 of Mr. Horsfall's letter) to do over again the work which they had partly finished in accordance with the original instructions.

3. The Clerks would have with some difficulty completed the work connected with the Returns within the period sanctioned by Government in their second order, had they not to undertake the preparation of the Returns of Trade and Navigation of the Interportal Trade within the district for 1875-76*, which the permanent establishment could not take up owing to the heavy work imposed on it subsequent to the introduction of the new system of accounts. These Returns (36) are now ready, and are herewith forwarded. Owing to this and other additional work, the Clerks have been only able to complete the Shipping Returns from the year 1870-71 to 1874-75, and the monthly Returns for 1873-74 and 1874-75 called for in the Board's Proceedings, dated the 6th September 1875, No. 2,496.

* From April to November 1875, as per enclosed list.

4. There now remain the Annual Trade Returns for 1870-71 to 1874-75 to be completed, and judging from the results of the past six months, the preparation of these Returns will occupy the extra Clerks for about three months. I beg that the orders of Government may be communicated to me by telegraph.
